CONNECTICUT GENERAL LIFE INSURANCE COMPANY

Certificate Rider

No. ETFLD08-ETC

Policyholder: University of Maine System
Rider Eligibility: Each Employee who is located in Florida
Policy No. or Nos. 3328411
Effective Date: January 1, 2008

The benefits of the policy providing your coverage are primarily governed by the law of a state other than Florida.

You will become insured on the date you become eligible, including if you are not in Active Service on that date due to your health status. However, you will not be insured for any loss of life, dismemberment or loss of income coverage until you are in Active Service.

This certificate rider forms a part of the certificate issued to you by CG.

The provisions set forth in this certificate rider comply with the legislative requirements of Florida regarding group insurance plans covering insureds located in Florida. These provisions supersede any provisions in your certificate to the contrary unless the provisions in your certificate result in greater benefits.

Eligibility – Effective Date

Effective Date of Dependent Insurance

Insurance for your Dependents will become effective on the date you elect it by signing an approved payroll deduction form, but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included. A newborn child will be covered for the first 31 days of life even if you fail to enroll the child. If you enroll the child after the first 31 days and by the 60th day after his birth, coverage will be offered at an additional premium. Coverage for an adopted child will become effective from the date of placement in your home or from birth for the first 31 days even if you fail to enroll the child. However, if you enroll the adopted child between the 31st and 60th days after his birth or placement in your home, coverage will be offered at an additional premium.

If you are a Late Entrant for Dependent Insurance, the insurance for each of your Dependents will not become effective until CG agrees to insure that Dependent. Your Dependent will not be denied enrollment for Medical Insurance due to health status.

Your Dependents will be insured only if you are insured.

Late Entrant - Dependent

You are a Late Entrant for Dependent Insurance if:

• you elect that insurance more than 60 days after you become eligible for it; or

• you again elect it after you cancel your payroll deduction.

If you are a Late Entrant CG may require you, at your own expense, to provide evidence of your Dependent's good health. Such requirement will not apply to Medical Insurance.

Reinstatement of Dental Insurance – Employees and Dependents

Upon completion of your active military duty in: (a) the Florida National Guard; or (b) the United States military reserves, you are entitled to the reinstatement of your insurance and that of your Dependents if continuation of Dependent insurance was not elected. Such reinstatement will be without the application of: (a) any new waiting periods; or (b) the Pre-existing Condition Limitation to any new condition that you or your Dependent may have developed during the period that coverage was interrupted due to active military duty.

Provisions Applicable to Reinstatement

• You must notify your Employer, before reporting for military duty, that you intend to return to Active Service with that Employer; and

• You must notify your Employer that you elect such reinstatement within 30 days after returning to Active Service with that Employer and pay any required premium.

Termination of Insurance - Continuation

Special Continuation of Dental Insurance For Dependents of Military Reservists

If your insurance ceases because you are called to active military duty in: (a) the Florida National Guard; or (b) the United States military reserves, you may elect to continue Dependent insurance. You must pay the required premiums to the Policyholder if you choose to continue Dependent insurance. In no event will coverage be continued beyond the earliest of the following dates:

• the expiration of 30 days from the date the Employee's military service ends;

• the last day for which the required contribution for Dependent insurance has been made;

• the date the Dependent becomes eligible for insurance under another group policy. Coverage under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) is excluded from this provision;

• the date the Dependent becomes eligible for Medicare;

• the date the group policy cancels;

• the date the Dependent ceases to be an eligible Dependent.

Dental Benefits Extension

An expense incurred in connection with a Dental Service that is completed after a person's benefits cease, for any reason other than the person's failure to pay premiums, will be deemed to be incurred while he is insured if:

• the course of treatment was recommended in writing by the physician and began while the person was insured for dental benefits; and

• the Dental Service is other than a routine examination, prophylaxis, x-ray, sealants or orthodontic services; and

• the Dental Service is performed within 90 days after his insurance ceases.
For Orthodontic Services, the treatment commenced while the person was insured and the expenses are incurred within 60 days after his insurance ceases.

The terms of this Dental Benefits Extension will not apply to a person who becomes insured under another group policy for similar dental benefits.
