

Peek #5: New Benefits Summary

This Peek provides information for all employees enrolled in university benefits.

The HRMS upgrade to PeopleSoft version 8.9 will bring several new features to employees. After March 13 you should be able to view your **benefits** online by date (but you will not be able to make changes to them; this information is **view only**).

You'll navigate to this page by clicking on Employee Self-Service > Benefits > Benefits Summary from the MaineStreet portal menu.

You will then see a page something like this, which will display your coverage level or participation in the plan:

Benefits Summary

Mary Contrary

To view your benefits as of another date, enter the date and click Go:

02/01/2007
