

## Peek #11: Distance Learning Class Search *Coming Soon!*

This Peek provides a look at the Distance Learning Class Search feature available to students through Student Self-Service. This is the only place in MaineStreet where students can view a multi-campus list of courses for a given location.

Students will select **Distance Learning Class Search** from the Self-Service menu, and then select an **Academic Term** and a **Location** using the drop-down menus.

The screenshot shows the MaineStreet web application interface. On the left is a 'Menu' sidebar with 'Distance Learning Class Search' highlighted. The main content area is titled 'Distance Learning Class Search' and contains a search form. The form includes fields for 'Academic Term' and 'Location', both of which are circled in red. Other fields include 'Course Career', 'Course Subject', 'Distance Instruction Method', 'Meeting Time between', and 'Class Begin Date between'. There are also checkboxes for 'Include/Exclude' and 'Show Open Classes Only', and 'SEARCH' and 'RESET SEARCH' buttons.

All courses offered at each location, in any modality (Web, on-line, ITV, et al.) will be listed.

This screenshot shows the same search interface as the previous one, but with the 'Location' dropdown menu open. The 'Web/On-line' option is selected and circled in red. Below the dropdown, a list of campus locations is visible, including Augusta - Other, Bangor - Other, Bangor UMA Campus, Bath, Belfast UM-Hutchinson Ctrk, Bethel, Bingham, Bucksport, Calais, Camden, Caribou, Danforth, Deer Isle, Dexter, Dover-Foxcroft, Eagle Lake, East Millinocket, East Sullivan, Eastport, Ellsworth, Fairfield, Falmouth, Farmington - Other, Farmington UMF Campus, Fort Fairfield, Fort Kent UMFK Campus, Gorham USM Campus, and Greenville.

Using the Distance Learning Class Search features, students will be able to create a wish list and enroll in their selected classes, regardless of location.
