

Peek #2: The Quick Enroll Screen

This Peek provides information for people who will be enrolling students.

Future Peeks will show screens that students will use to enroll using Student Self-Service.

WebDSIS will not be used to enroll students for fall 2008 classes. Here is a shot of the Quick Enroll screen that might be used during the enrollment process:

Quick Enrollment

Go to: [View Enrollment Access](#) [Calculate Tuition](#) [Study List](#) [Enrollment Appointments](#) [Term/Session Withdrawal](#)
[Student Services Center](#)

A **class** has been selected for Hermione: BIO110, number 14410. “Class Nbr” corresponds to the CRN number in WebDSIS and ISIS.

These tabs offer more **options for processing** the enrollment.

“Related 1 and Related 2” would show an **associated lab or recitation** section for the class, if applicable.

Once a class has been entered or looked up, it must be **submitted**.
