

## Peek #4: Faculty Center, First Look

This Peek provides information for faculty members.

The Faculty Center is the self-service hub for faculty. From a single site, faculty members can:

- See teaching schedules
- Search the schedule of classes
- View a dynamically updated class roster
- Communicate with one or all student advisees by email
- Search for other faculty members
- and lots more

Clicking on the **Faculty Center** link in **Self-Service** will open this page:

• The current semester (term) will appear by default. To view a different semester, click the [change term](#) button.

• Several **options** are available to view classes and schedules.

• Clicking on the **class roster icon** will provide a view of the class list.

For more information about the Faculty Center, review the **Faculty Center Overview** Process Document at <http://www.maine.edu/system/mainestreet/srdocs.php>.
