Analyst Programmer  
Full-Time Regular, Exempt, Fiscal-Year Position  
(Four Positions)

Are you interested in being on the cutting edge of technology? The Administrative Systems Development and Support Group of the University of Maine System is seeking four full-time Analyst Programmers. Position responsibilities include providing technical programming support for PeopleSoft applications, including project definition and gathering of functional requirements, coding, debugging and unit testing using PeopleSoft tools, ongoing maintenance and support of projects, and support for end-user training.

**Required Qualifications:** Prospective candidates must have a Bachelor’s degree and one year of recent experience in a development or production support capacity or an equivalent combination of education and experience. Excellent communications and analytical/troubleshooting skills are required.

**Preferred Qualifications:** Experience implementing or maintaining PeopleSoft HRMS Version 8.0 or above, HR/SA Version 8.9 or above, or Financials 8.4 or above is preferred. Experience with various PeopleSoft-related skills such as Oracle Database, SQL, PeopleCode, SQR, Application Engine Programming or Application Messaging is also preferred. Related work in a higher education environment is also highly preferred.

The positions are in Bangor. Some evening and weekend work is also required. The salary range is in the $31,000-$52,000 range annually depending on experience. The University System Office offers an excellent benefits package. Additional information about the University of Maine System is available at [www.maine.edu](http://www.maine.edu).

**Review of applications will begin** on July 5, 2006 and will continue until the position is filled. Send a cover letter addressing the requirements of this position, résumé, contact information for three professional references and recent salary history to Analyst Programmer Search, University of Maine System, Office of Human Resources, 16 Central Street, Bangor, ME 04401 or email to umsjobs@maine.edu.

*The University of Maine System is an Equal Opportunity/Affirmative Action Employer and strongly encourages applications from and nominations of women and minority candidates. Upon request, the System provides reasonable accommodations to individuals with disabilities.*
