SECTION ONE

1.0 GENERAL INFORMATION

1.1 The University of Maine System, acting through the University of Southern Maine, is seeking quotations for the purchase of vehicles according to the specifications shown below.

Definition of Parties: The University of Maine System will hereinafter be referred to as the "University". Respondents to the RFB shall be referred to as "Bidders". The Bidder to whom the contract is awarded shall be referred to as the "Contractor".

1.2 Alternates: Unless otherwise provided for in this solicitation, the name of a certain brand, make or manufacturer does not restrict Bidders to the specific brand, make or manufacturer named; but conveys the general style, type, character, and quality of the article desired. Any article which the University, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. It is the Bidder's responsibility to clearly and specifically indicate the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the University of Maine to determine if the product offered meets the requirements of the solicitation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid non-responsive. Unless the Bidder clearly indicates in its bid that the product offered is an "equal" product, such bid will be considered to offer the brand name products referenced in the solicitation.

1.3 Award: The University reserves the right to conduct any tests it may deem advisable and to make all evaluations. The University reserves the right to reject any or all bids, in whole or in part and is not necessarily bound to accept the lowest bid if that bid is contrary to the best interests of the University. The University reserves the right to waive minor irregularities. Scholarships, donations, or gifts to the University will not be considered in the evaluation of bids. A bid may be rejected if it is in any way incomplete or irregular. When there are tie bids, there shall be a preference for "in-state bidders". When tie bids are both in-state or both out-of-state, the award will be made to the bid that arrives first in the Office of Strategic Procurement.

1.4 Award Protest: Bidders may appeal the award decision by submitting a written protest to the University of Maine System's Director of Strategic Procurement within five (5) business days of the award notice, with a copy of the protest to the successful Bidder. The protest must contain a statement of the basis for the challenge.

1.5 Bid Envelope: The signed bid should be returned in an envelope or package, sealed and identified as follows:

From _____________     November 21, 2008     2:00 P.M.   RFB #07-09
Name   Due Date      Time   Bid No.

1.6 Evaluation Criteria: Award will be made to the low bidder, providing delivery needs and all other requirements are satisfactorily met.

1.7 Communication with the University: It is the responsibility of the bidder to inquire about any requirement of this RFB that is not understood. Responses to inquiries, if they change or clarify the RFB in a substantial manner, will be forwarded by addenda to all parties that have received a copy of the RFB. Addenda will also be posted on our website, www.maine.edu/strategic/upcoming_bids.php The University will not be bound by oral responses to inquiries or written responses other than addenda.
Inquiries must be made to: Hal Wells
Office of Strategic Procurement
University of Maine System
16 Central Street
Bangor, Maine 04401
(207) 973-3302

1.8 Debarment: Submission of a signed bid in response to this solicitation is certification that your firm (or any subcontractor) is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any Federal department or agency. It is also agreement that the University will be notified of any change in this status until such time as an award has been made.

1.9 Specification Protest Process and Remedies: If a bidder feels that the specifications are written in a way that limits competition, a specification protest may be sent to the Office of Strategic Procurement. Specification Protests will be responded to within five (5) business days of receipt. Determination of protest validity is at the sole discretion of the University. The due date of the bid may be changed if necessary to allow consideration of the protest and issuance of any necessary addenda. Specification protests shall be presented to the University in writing as soon as identified, but no less than five (5) business days prior to the bid opening date and time. No protest against the award due to the specifications shall be considered after this deadline. Protests shall include the reason for the protest and any proposed changes to the specifications. Protests should be delivered to the Office of Strategic Procurement in sealed envelopes, clearly marked as follows:

SPECIFICATION PROTEST, RFB # 07-09

1.10 Submission: A signed original bid must be received at the Office of Strategic Procurement, 16 Central Street, Bangor, Maine 04401, no later than 2:00 P.M. local time, Friday, November 21, 2008, for a public opening. Bidders are strongly encouraged to submit bids in advance of the due date to avoid the possibility of missing the 2:00 deadline due to unforeseen circumstances. Bidders assume the risk of the methods of dispatch chosen. The University assumes no responsibility for delays caused by any package or mail delivery service. A postmark on or before the due date WILL NOT substitute for receipt of bid. Bids must be date and time stamped by the University on time to be considered. In the event that the University is closed due to inclement weather at the time that a bid is due, the bid will be opened at the same time on the next day that the University is open. Bidders may wish to call 207-973-3298 if the weather is bad, to learn if the University has closed. Bids received after the due date and time will be returned unopened. Additional time will not be granted to any vendor. Additional time may be granted to all vendors when the University determines that circumstances require it. FAXED OR E-MAILED BIDS WILL NOT BE ACCEPTED.

1.11 Costs of Preparation: Bidder assumes all costs of preparation of the bid and any presentations necessary to the bidding process.

1.12 Bid Understanding: By submitting a bid, the Bidder agrees and assures that the specifications are adequate, and the Bidder accepts the terms and conditions herein. Any exceptions should be noted in your response.
