1.8 The University reserves the right to award this bid on a schedule by schedule basis, multiple schedules, or all to one bidder, whichever the University deems to be in its best interest, price and other factors considered. The University reserves the right to conduct any tests it may deem advisable and to make all evaluations. The University reserves the right to reject any or all bids, in whole or in part and is not necessarily bound to accept the lowest bid if that bid is contrary to the best interests of the University. The University reserves the right to waive minor irregularities. Scholarships, donations, or gifts to the University, will not be considered in the evaluation of bids. A bid may be rejected if it is in any way incomplete or irregular. When there are tie bids, there shall be a preference for "in-state bidders". When tie bids are in-state or out-of-state, the award will be made to the bid that arrives **first** at the University of Maine System.

1.9 Award Protest: Bidders may appeal the award decision by submitting a written protest to the University of Maine System’s Director of Strategic Procurement within five (5) business days of the date of the award notice, with a copy to the successful bidder.
