4. BACKGROUND:

Attached is the Capital Project Status Report for the March 2014 meeting of the Finance/Facilities/Technology Committee.

The report reflects a net total of 15 projects. There is an addition of one project at UM and a reduction of one project at UMA.

The one new project approved by the Trustees in January at UM is the Morse Field Scoreboard Upgrade (5100364). The project which has been removed at UMA is Jewett Hall Roof Replacement (1100046).

The Finance/Facilities/Technology Committee approved two new projects at UMM in January that were presented in this report in February 14, 2014. As a reminder to the Committee, these projects are the Powers Hall Exterior and Masonry (4100026) and the Science Building Laboratory Upgrades (4100027).

Other updates are as noted on the list.
