Financial Aid is moving to MaineStreet. 
What does it mean for you?

Beginning in early February 2009, you will be able to see your financial aid information for academic year 2009-2010 in Student Self-Service in MaineStreet. (If you filed for financial aid in 2008-2009, you’ll still find that information in WebDSIS.)

The first thing you’ll be able to do is check to see if your university (or universities) has received your FAFSA, by clicking on the FAFSA Status link in Student Self-Service in MaineStreet.

You will use the To Do List to make sure that your university has all other necessary documents and information from you in order to make a financial aid award.

You will also be able to access more required financial aid forms online.

You will accept, decline, or reduce your financial aid award in Student Self-Service.

Be on the lookout for more information about Financial Aid on MaineStreet in the coming weeks.

See you on MaineStreet!
