Peek #1: Cascading Menus

Click on **Main Menu** and you will see that menu choices cascade to the right as you select options. In this example, a click on **Self Service** opens the next menu, with folders for **Time Reporting**, **Personal Information**, **Payroll and Compensation**, **Benefits**. Selecting **Personal Information** opens the third menu.

The Main Menu can be sorted alphabetically in ascending or descending order by clicking here. Other, secondary, menus will then be sorted the same way.
