The pledge form you receive (sample at right) with this contributor’s guide enables you to give through payroll deduction or directly to one or more charitable federations. You may also designate your contributions to one or more of the individual agencies within the federations. (If you do not designate your gift, it will be shared by all participating federations in the same proportion to the designations they and their agencies receive.) Here’s what to do:

1. Payroll Deduction
   Decide how much you would like to have deducted from your paycheck per pay period and enter this amount at the top of the pledge form. Multiply by the number of pay periods you will be paid in the year to determine your total annual gift.

2. Direct Gifts
   Enter total amount of your gift and write a check payable to U.M.S.

3. Designations
   Indicate how you would like your gift distributed. You may give to federations and/or any of their member agencies listed in this guide. BE SURE TO use designation code numbers from this contributor’s guide when designating your pledge or gift (if not preprinted on the pledge form). Sign your name. Check the box if you would like an acknowledgment and note your mailing address. Make a copy for your records and return the original to your department’s campaign volunteer. CCAUE University Chairs are listed on the back cover of this contributor’s guide.

Please Note: This contributor’s guide lists the charitable federations and their member agencies approved for participation in the 2012 CCAUE.

If you wish to designate your gift to an agency from any federation, remember to use the designation code numbers on your pledge form.
