Citizen Comment
Individuals who wish to participate in Citizen Comment must indicate their name and topic on the signup sheet, which will be available in the meeting room on November 6, 2023 starting at 8:00 am until 8:25 am.

The Board of Trustees provides time for citizen comment prior to the business agenda at each meeting. The Chair of the Board will establish time limits (usually three minutes per person) and determine any questions of appropriateness and relevancy. Personnel decisions, collective bargaining issues, grievances, litigation and other areas excludable from public discussion under the Maine Freedom of Access Law shall not constitute appropriate matters for such input. A person who wishes to speak during the citizen comment period should arrive prior to the meeting start time and sign up on a sheet provided, indicating name and topic of remarks.

AGENDA ITEM SUMMARY

NAME OF ITEM: Student Trustee Policy

INITIATED BY: Trish Riley, Chair

BOARD INFORMATION:

BOARD POLICY: 
Policy enacting the Private and Special Law 2023, Chapter 14 (LD1656), Section 217 Selection of the University of Maine System Board of Trustees Students Members

UNIFIED ACCREDITATION CONNECTION: N/A

BACKGROUND:
Private and Special Law 2023, Chapter 14 requires that effective no later than July 1, 2024, the Board include two student members.

The Governor shall appoint the undergraduate and graduate student members based on the joint recommendations of the relevant student government associations. Nominees are then subject to confirmation by the Maine Legislature. Each student member of the Board serves a two-year term as a full voting member, and is subject to all relevant State laws and the policies and responsibilities of the Board.

As required by the enabling law, this policy, which was subject to an initial reading at the September 2023 Board meeting, details the inclusive student-led process by which student members of the Board are recommended to the Governor for appointment. It was drafted in collaboration with the current member of the Board and the Undergraduate and Graduate Student Representatives to the Board, who also solicited input from their university student government associations and other student stakeholders.

TEXT OF PROPOSED RESOLUTION:
That the Board of Trustees adopts Section 217, Selection of the University of Maine System Board of Trustees Student Members as a new Board policy that supports implementation of Private and Special Law 2023, Chapter 14.

Governance and Legal Affairs
Section 217 Selection of University of Maine System Board of Trustees Student Members

Effective: 11/6/23
Responsible Office: Clerk of the Board, Office of the Vice Chancellor of Academic and Student Affairs, University Student Government Associations

Policy Statement
Private and Special Law 2023, Chapter 14 requires that effective no later than July 1, 2024, the University of Maine System Board of Trustees (herein referred to as the Board) include two student members, one who is a full-time undergraduate student in good standing and the other who is a full-time graduate student in good standing. The Governor of the state shall appoint the undergraduate student member based on the joint recommendation of the undergraduate student government associations representing each student body at the University of Maine, the University of Maine at Augusta, the University of Maine at Farmington, the University of Maine at Fort Kent, the University of Maine at Machias, the University of Maine at Presque Isle and the University of Southern Maine and the graduate student member based on the joint recommendation of the graduate student government associations representing each graduate student body at the University of Maine, the University of Southern Maine and the University of Maine School of Law, though the graduate student may be enrolled at any UMS university.

The two student members of the Board may not be from the same institution at the time of their appointment, and each must be enrolled at a different institution than their immediate predecessor.

Each student member of the Board serves a two-year term as a full voting member, and is subject to all relevant State laws and the policies and responsibilities of the Board, including, but not limited to, those detailed in the System’s Charter (Private and Special Law 1865, Chapter 532); Board Policy 103, Bylaws of Board of Trustees; Board Policy 206, Ethics Code and Conflict of Interest; and University of Maine System Board of Trustees Operating Principles. Consistent with this, a student member of the Board may not send a proxy in their place to Board meetings in the event they are unable to attend.

This policy details the process by which student members to the Board are recommended to the Governor for appointment and confirmation by the Maine Legislature.

Definitions
Full-time: An undergraduate student shall be deemed to have full-time status if they are matriculated and enrolled in 12 credit hours or more per regular (Fall/Spring) semester. Meanwhile, any matriculated graduate student enrolled in three or more credit hours per regular (Fall/Spring) semester is considered full-time for the purposes of this policy, as are doctoral students who have been admitted to candidacy or who are on approved internships and are enrolled in at least one credit each fall and spring semester.
Good standing: A student shall be deemed to be in good standing if they are not on probation or under suspension for any reason.

Undergraduate student government association: Recognized undergraduate student government associations include: the University of Maine Student Senate, the University of Maine at Augusta General Assembly, the University of Maine at Farmington Student Senate, the University of Maine at Fort Kent Student Senate, the University of Maine at Machias Student Senate, the University of Maine at Presque Isle Student Government Association and the University of Southern Maine Student Government Association.

Graduate student government association: Recognized graduate student government associations include the University of Maine Graduate Student Government, the University of Southern Maine Graduate Student Board and the University of Maine School of Law Student Bar Association.

University of Maine System Student Trustee Selection Council: The UMS Student Trustee Selection Council is responsible on a biennial basis or more frequently as needed for reviewing candidates provided by each eligible student government association and bringing forth a single candidate and an alternate for each position on the Board reserved for a student member.

The members of the Council responsible for selecting the undergraduate student who the Council will recommend to the Governor for appointment to the Board include the President of each undergraduate student government association or their designee and the undergraduate student representatives to the Board. The members of the Council responsible for selecting the graduate student who the Council will recommend to the Governor for appointment to the Board include the President of each graduate student government association or their designee and the graduate student representatives to the Board. In the event that an individual who would otherwise serve as a member of the Council is a candidate, they shall not be eligible to participate in the selection process and the student government association at their university shall designate one of its members to take their place as a Council member.

Prior to July 1, 2024, the Council will be chaired by the current student member of the Board, but they shall not be a voting member. Selection processes that occur after that date will be co-chaired by the President of the student government associations from which the most recent student members of the Board were enrolled, and they shall be voting members.

Procedures
Each undergraduate and graduate student government association shall determine its own process for selecting a candidate to serve as a member of the Board to put forward by Dec. 1, 2023 and every two years thereafter, or as needed because of a vacancy, to the System Student Trustee Selection Council, provided that process is inclusive, fair and that decisions are made entirely by students. Each student government association must adopt a policy detailing its selection process, which must be accessible to all members of the student body, including by being posted on the association’s public website. In making their recommendations, both
individual student government associations and the Council shall strive to put forth qualified candidates who are representative of the student body and who enhance the knowledge and diversity of the Board, including as it relates to education; experience; age, gender and gender identity, race, and socio-economic status; and geographic representation within the state.

To inform the selection process, the Board Office shall make a prospectus available on its website that overviews the responsibilities and commitment of a student member of the Board and student government associations are encouraged to make that prospectus available to all interested candidates. Within available resources, the Board Office will also provide administrative support to the Council as requested by the Chair(s), including scheduling and hosting of virtual Council meetings.

The undergraduate student government association from the university where the most recent undergraduate student member of the Board is/was enrolled and the graduate student government association from the university where the most recent graduate student member of the Board is/was enrolled may not bring forth candidates for the Council's consideration, but the Presidents of those associations and the student representatives to the Board from those universities do participate in the Council's selection as detailed above.

By Jan. 15, 2024 and every two years thereafter, or as needed because of a vacancy, the Council shall determine and report to the Board Office its recommendation of an undergraduate student and a graduate student to serve as a student member of the Board, as well as alternates for each position. The Council shall determine its own process for making its recommendations and submit an overview of that to the Board Office, along with the names, contact information, and materials on the recommended candidates that were considered during the selection process (e.g. CV/resume, letter of interest, etc.)

The Board Office shall have no role in vetting of candidates but will provide the candidates the appointment materials required by the Office of the Governor and the Legislature, and will then transmit the Council's recommendation and completed materials to the Office of the Governor no later than Feb. 1, 2024 and every two years thereafter, or within two weeks in the event of a vacancy unless another time frame is mutually agreed upon. Required appointment materials typically include, but may not be limited to, a current resume, tax clearance and the questionnaire for all confirmable positions that must be provided to the Legislature by the Office of the Governor. Candidates are also subject to a background check. If a candidate does not provide completed materials by the aforementioned deadline or if the review of submitted materials by the Office of the Governor prevents the nomination including because of ethical concerns or findings from the background check, the Board Office will notify the Council and begin to work with the alternate candidate recommended by the Council to prepare required appointment materials for submission. In the event that both the candidate and the alternate cannot be appointed by the Governor and confirmed by the Legislature, the Governor shall appoint a student member to the Board at their discretion.
Student members of the Board serve a two-year term until a successor is appointed, except in the event that they are no longer a student at the University of Maine System, they no longer meet the eligibility requirements of this policy and P & SL 1865, Ch. 532, or they resign prior to the expiration of their term, at which point the seat is vacated until a successor is confirmed for a new two-year term. However, a student member of the Board may continue to serve for up to two months following their graduation if they so choose and are available to participate in official Board activities. If a student member of the Board seat becomes vacant, the Board Office will immediately notify the members of the UMS Student Trustee Selection Council, who must recommend a new candidate and an alternate candidate within 60 days, unless a greater duration is practicable due to the Legislature’s schedule and mutually agreed upon by the Council and the Board Office.

If the student government associations do not make a joint recommendation by Jan. 15, 2024 and every two years thereafter or as needed, as required by law, the Governor shall appoint the student members to the Board at the Governor's discretion, but shall not appoint a student from the institution at which the most recent student member to the Board was also enrolled.

BOARD POLICY: N/A

UNIFIED ACCREDITATION CONNECTION:

The University of Maine System's Micro-Credentialing initiative embodies the principles and aims of Unified Accreditation. Collaborative to its core, UMS Micro-Credentialing engages faculty, staff, academic leaders, and students across our universities in the development of digital badges and related micro-credentials. This work expressly supports student success and career preparation, and has been regionally and nationally recognized for its quality.

This presentation reflects the progressive fulfillment of the following Action and Goal in the 2023-2028 University of Maine System Strategic Plan:

*Commitment 1, Action 3:* UMS will be the statewide leader in adult degree completion, credentialing, industry certifications, and licensure preparation.

*Commitment 1, Action 3, Goal 3.1:* UMS will deliver degree completion, credentialing, and certification programs that achieve national recognition for their innovative delivery methods and accelerated rates of success and completion.

BACKGROUND:

Vice Chancellor for Academic and Student Affairs Jeffrey St. John will introduce Claire Sullivan, Assistant Vice Chancellor for Digital Badges and Micro-Credentials. Dr. Sullivan will update the Board on the UMS Micro-Credentialing initiative, and she and Vice Chancellor St. John will answer questions.

AGENDA ITEM SUMMARY

NAME OF ITEM: FY2024 Proposed Operating Budget Revisions

INITIATED BY: Dannel P. Malloy, Chancellor

BOARD INFORMATION: BOARD ACTION: X

BOARD POLICY: Policy 701 – Operating & Capital Budgets

UNIFIED ACCREDITATION CONNECTION: N/A

BACKGROUND:
The FY2024 budgets have been revised by the universities and shown below.

Vice Chancellor for Finance and Administration & Treasurer Ryan Low, along with the universities, will briefly present the FY2024 proposed operating budget revisions. Most changes reflect enrollment, residence hall occupancy and general operating expenses. Below is a comparison of the FY2024 original vs. revised budgets for a) operations b) annual credit hours and c) residence hall occupancy for all universities. UMF, USM, and LAW will resolve budget gaps by January 2024.

TEXT OF PROPOSED RESOLUTION:
That the Board of Trustees approves the FY2024 proposed operating budget revisions.

10/26/2022
AGENDA ITEM SUMMARY

NAME OF ITEM: Confirmation of Faculty & Student Representatives to the Board of Trustees

INITIATED BY: Trish Riley, Chair

BOARD INFORMATION: BOARD ACTION: X

BOARD POLICY:
Policy 205 – Faculty & Student Representatives to the Board of Trustees

UNIFIED ACCREDITATION CONNECTION:
N/A

BACKGROUND:
To create the environment for interaction among and between Faculty and Student Representatives, the Trustees and System administration, the Trustees have provided opportunities for participation in the meetings of the committees of the Board.

One faculty member and one undergraduate student from each of the seven universities and one graduate student from the University of Southern Maine and one graduate student from the University of Maine will be appointed by the Board as non-voting representatives to the Board of Trustees and invited to participate as non-voting members on the standing committees.

Normally, the representative is expected to complete a two-year term; therefore, it is an expectation that the minimum term of service by Faculty and Student Representatives to the Board be two years. The nominations will be forwarded through the Presidents or Dean of the Law School to the Chancellor for submission to the Board for Trustee approval.

The following nominations are being recommended by the campus:

Student Representative:
Benjamin Doherty - UM – Reappointed for a 2-year term – November 2023 to September 2025.
Jacob Carter, UMM – Appointed for a 2-year term – November 2023 to November 2025

TEXT OF PROPOSED RESOLUTION:
That the Board of Trustees approves the appointments of the Student Representatives to the Board of Trustees as presented.
AGENDA ITEM SUMMARY

NAME OF ITEM: University of Maine School of Law Mission Statement

INITIATED BY: Dannel P. Malloy, Chancellor

BOARD INFORMATION:

BOARD ACTION: X

BOARD POLICY:
- Board Policy 301: Mission and Strategic Plan Policy
- PROPOSED Board Policy 301.9: University of Maine School of Law Mission

UNIFIED ACCREDITATION CONNECTION:
The University of Maine System Strategic Plan Commitment 5, Action 3, Goal 3.5 states that “The Board of Trustees, Chancellor, and Presidents will ensure regular review of System, University and Law School missions and their internal alignment.”

BACKGROUND:
The University of Maine School of Law proposes to update its current mission statement:

“The University of Maine School of Law is the state’s public and only law school, a vital resource serving our local, regional, national, and global community. Maine Law is an institutional public servant committed to providing an accessible and affordable student-focused program of legal education and achieving the highest standards of ethical behavior.

Our rigorous doctrinal and experiential curriculum, influential scholarship, and signature programming prepare students to practice law, promote respect for the rule of law, and advance justice for all members of society.”

The proposed new mission statement is:

MISSION STATEMENT

Maine Law’s mission is to advance justice and leadership in a changing world. We provide an exceptional, inclusive, and student-centered legal education and serve our local and global communities through teaching, scholarship, and public service.

VALUES
We pursue our mission through the implementation of our values by an engaged faculty and staff who encourage the advancement of justice for all members of society, promote a system of just laws, and provide students with the knowledge, ethical framework, and skills needed for a career in the law.

1. **Inclusion and community**: Creating a collaborative culture for the study of law that supports diversity, equity, and inclusion.

2. **Academic excellence**: Providing students with an exceptional legal education through a comprehensive and diverse course of study.

3. **Experiential learning**: Preparing the next generation of lawyers and legal professionals for the modern practice of law through practical opportunities inside and outside the classroom.

4. **Professionalism**: Instilling the highest ethical standards and a strong sense of professional identity.

5. **Public service**: Promoting service to our community and the legislative, judicial, and executive branches.

6. **Leadership**: Training the next generation of leaders in Maine and beyond.

7. **Collaboration**: Fostering an interdisciplinary approach to teaching, research, and service.

The proposal was reviewed at the all appropriate faculty and administrative levels at University of Maine School of Law. Chancellor Malloy signed his approval of the proposed University of Maine School of Law mission on October 4, 2023. This item will be forwarded to the November 2023 Board of Trustees meeting as an information item and will be presented at the January Board meeting for approval.

The Academic and Student Affairs Committee forwarded this item to be forwarded to the November 6, 2023 Board of Trustees meeting for approval of the following resolution:

**TEXT OF PROPOSED RESOLUTION:**

That the Board of Trustees accepts the recommendation of the Academic & Student Affairs Committee and approves this change Maine School of Law Mission.

- Letter to Chancellor Malloy presenting School of Law Mission Statement
Date: October 5, 2023

To: Dannel Malloy, Chancellor
University of Maine System (UMS)

From: Jeffrey St. John, VCASA

Regarding: University of Maine School of Law Mission Statement

Please find the attached proposal from the University of Maine School of Law regarding its new mission statement. The attached material includes documentation of university-level support, including approval from President Leigh Saufley. I also recommend this proposed mission statement for your approval.

The proposed new University of Maine School of Law mission statement will be reviewed by the Academic and Student Affairs Committee of the Board of Trustees Committee on October 16, 20, 2023 and, if approved, reviewed by the Board of Trustees at the November 5-6, 2023 meeting.

Dannel Malloy
Chancellor
University of Maine System
5703 Alumni Hall
Orono, ME 04469-5703

Dear Chancellor Malloy:

I write to seek your approval and that of the Board of Trustees for the new Mission Statement and Statement of Values for the University of Maine School of Law.

The new Mission Statement and Statement of Values were developed by the Maine Law faculty and administration through a collaborative process that coincides with Maine Law’s ongoing work in developing a new Strategic Plan. This updated work also assures that Maine Law has freshly considered its path forward as we prepare for the accreditation review and site visit by the American Bar Association.

A draft of the Mission Statement was presented and discussed by the faculty at its strategic planning retreat on May 24, 2023. The draft was voted on and unanimously approved by the full faculty. Similarly, there was faculty consensus that an updated Statement of Values that will help us implement our mission. Work on the values continued after that meeting and has recently received final approval of our faculty and administration. I also fully support both the mission statement and the values.

If the statements meet your approval, I understand that the next steps include a review by the ASA and, again if approved, placement on the Board’s November Agenda. Thank you, as always, for your support for Maine Law.

All the Best,

Leigh Saufley, President & Dean
University of Maine School of Law

Enclosure

The proposed new Maine Law Mission Statement reads as follows:

Maine Law’s mission is to advance justice and leadership in a changing world. We provide an exceptional, inclusive, and student-centered legal education and serve our local and global communities through teaching, scholarship, and public service.

The proposed new Value Statements are as follows:

**Inclusion and community**: Creating a collaborative culture for the study of law that supports diversity, equity, and inclusion.

**Academic excellence**: Providing students with an exceptional legal education through a comprehensive and diverse course of study.

**Experiential learning**: Preparing the next generation of lawyers and legal professionals for the modern practice of law through practical opportunities inside and outside the classroom.

**Professionalism**: Instilling the highest ethical standards and a strong sense of professional identity.

**Public service**: Promoting service to our community and the legislative, judicial, and executive branches.

**Leadership**: Training the next generation of leaders in Maine and beyond.

**Collaboration**: Fostering an interdisciplinary approach to teaching, research, and service.
AGENDA ITEM SUMMARY

NAME OF ITEM: Proposed Changes to Board of Trustee Policy 301.9 – Maine School of Law Mission

INITIATED BY: David M. MacMahon, Chair

BOARD INFORMATION:

BOARD ACTION: X

BOARD POLICY:
- Board Policy 301: Mission and Strategic Plan Policy
- PROPOSED Board Policy 301.9: University of Maine School of Law Mission

UNIFIED ACCREDITATION CONNECTION:

The University of Maine System Strategic Plan Commitment 5, Action 3, Goal 3.5 states that “The Board of Trustees, Chancellor, and Presidents will ensure regular review of System, University and Law School missions and their internal alignment.”

BACKGROUND: The Board of Trustees, as the legal governance body for the University of Maine System, establishes the policies that enable the System institutions to provide higher education of excellent quality to Maine and its citizens. One of the most important Board responsibilities is the approval of mission statements and strategic plans for the System and for the universities.

The current Board Policy Section 301 addresses the mission statements of all universities within the System. However, the Maine School of Law does not have a sub-section with a Board-approved mission statement represented. Therefore, a resolution was presented to add sub-section 301.9 to Policy 301 to appropriately document the Maine School of Law mission statement.

The proposed new mission statement is:

MISSION STATEMENT

Maine Law’s mission is to advance justice and leadership in a changing world. We provide an exceptional, inclusive, and student-centered legal education and serve our local and global communities through teaching, scholarship, and public service.

VALUES
We pursue our mission through the implementation of our values by an engaged faculty and staff who encourage the advancement of justice for all members of society, promote a system of just laws, and provide students with the knowledge, ethical framework, and skills needed for a career in the law.

1. **Inclusion and community**: Creating a collaborative culture for the study of law that supports diversity, equity, and inclusion.
2. **Academic excellence**: Providing students with an exceptional legal education through a comprehensive and diverse course of study.
3. **Experiential learning**: Preparing the next generation of lawyers and legal professionals for the modern practice of law through practical opportunities inside and outside the classroom.
4. **Professionalism**: Instilling the highest ethical standards and a strong sense of professional identity.
5. **Public service**: Promoting service to our community and the legislative, judicial, and executive branches.
6. **Leadership**: Training the next generation of leaders in Maine and beyond.
7. **Collaboration**: Fostering an interdisciplinary approach to teaching, research, and service.

The proposal was reviewed at all faculty and administrative levels at the Maine School of Law. Chancellor Malloy signed his approval of the proposed Maine School of Law mission on October 5, 2013.

**TEXT OF PROPOSED RESOLUTION:**
That the Board of Trustees accepts the recommendations of the Academic and Student Affairs Committees and approves this change to Board Policy 301.9 – Maine School of Law Mission.

### Explanatory Notes:
- * Project is new as of this report.
- ** Details of this project include updates since the last report.
- *** This project has been completed since the last report and is not expected to appear on the next report.
- Highlighted: Board level HAF and P3 Projects
Executive Summary

The Capital Project Status Report for the November 5-6, 2023, meeting of the Board of Trustees of the University of Maine System is attached. This report provides a comprehensive update on the status of capital projects, market impacts, 2018 bond project status, research space approvals, and specific project details.

Key Capital Project Highlights:
- **Total Projects:** 38 projects are currently active, with one removal since the last report at UMA.
- **Approved Project Estimates:** Over $400 million, with nearly 63% expended to date.
- **Project Highlighting:**
  - Yellow: Current P3 projects.
  - Green: Projects at Board approval level utilizing Harold Alfond Foundation (HAF) grant and matching money.
  - Separate Table: HAF projects below Board approval level.
- **2018 Bond Funds:** A few projects funded with 2018 bond funds remain on the Capital report pending the Percent for Art process realization.

COVID-19 and Current Market Impacts on Capital Construction
- Market instability, equipment delays, and labor shortages continue to create challenges for the bidding and estimating climate.
- The monthly change in the Producers Price Index (published by the US Bureau of Labor Statistics) for construction has declined over the past six months compared to the previous two years, providing hope that price increases will slow down.

2018 Bond Project Status Report
- **Active Projects:** 29
- **Closed Projects:** 43
- **Total Projects:** 72
- **Funding:** Nearly all of the $49 million in voter-approved general obligation bond funding has been allocated, with approximately $45 million expended.
- **Supplemental Funding:** Over $74 million, including bond funding and other resources.
- **Reporting:**
  - Projects above Board Threshold also appear on Capital Project report.
  - As projects are closed, they are moved to the closed section and will remain on the report until all projects are completed.

Research Space Approvals
- No new approvals for Chancellor-approved increases in University-owned or occupied space for research purposes.

Specific Project Updates
**UMF Campus ESCO Project:**
- **Building Automation System and Energy Management Control Systems:** 75% complete, including the replacement of Variable Air Volume units.
- **New Biomass Boiler and Plant Addition:** In construction; expectation to fire new boiler
by mid-October for campus heating.

- **Roof Top Units:** Delivery and installation ongoing and coordinated around building occupancy.

- **Completion Timeline:** Most work will be complete by Fall 2023, with some items extending to summer 2024.

**UMA Handley Hall A/C Replacement Project:**

- **Scope and Budget Reduction:** This project is now complete. Due to long lead times for the initially designed equipment and a short-term deadline for expenditures of the funding, the scope of work within Handley Hall was reduced. The work included installation of split units/heat pumps to provide cooling and supplemental heating. The remaining funding was redistributed to multiple other projects at UMA and UMA-B to complete additional improvements in line with the requirements of the HEERF funding source such as, classroom technology improvements, replacement of soft furniture with hard surface furniture and heating, ventilation, and cooling projects.

**UMA Medical Laboratory Technology Project:**

- **Construction Update:** The best location to build this laboratory within existing UMA space was determined to be in Robinson Hall. The project is under construction now, renovating approximately 2/3 of the building for the new laboratory, while the other 1/3 remains occupied. The work is expected to be complete by the end of 2023 with a spring semester 2024 occupancy.

**UM Boudreau Hall Renovation**

- **Construction Update:** This project is in construction and is anticipated to be complete in time for occupancy for the upcoming Spring semester. Work includes construction of a new accessible toilet room, and upgrades to student, faculty and staff spaces.

Data Notes:

Explanation of Funding Categories:

- **Direct Capital Appropriations Funds**: These consist of State capital appropriations in anticipation of UMS revenue bonding, as well as State MEIF funds. They represent specific allocations made by the State for capital projects.

- **Campus Funds**: This category may include internal loans or other funding mechanisms that are generated and managed within the University's financial structure.

- **Other Financing**: This category includes interim financing, master lease agreements, and other miscellaneous sources as available and/or expended. Due to the complexity and lower relative value of the funding sources in this category, such amounts are not reclassified if later refunded with other sources.

- **Reason for Categories**: These categories help in understanding the various sources of funding for the projects and provide transparency in how funds are allocated, utilized, and reported.

April 2023 - Reclassification of Bond Anticipation Note (BAN):

- **Details**: In April 2023, there was a reclassification of the Bond Anticipation Note (BAN) from the category “Other financing” to “Revenue Bonds & BANs.”

- **Reason**: This reclassification was made to better align project funding sources and ensure that the categorization accurately reflects the nature of the BAN within the financial reporting structure.

September 2022 - Adjustment to Reflect Incorrect Funding Sources:

- **Details**: The data for September 2022 was adjusted to correct inaccuracies in the reporting of funding sources that were identified in the October 2022 report.

- **Reason**: This adjustment ensures that the historical data accurately represents the funding sources and aligns with the correct categorization and accounting principles.

Subject: Boards of Visitors Annual Reports

The University of Maine System is required to include as a part of the annual report to the Joint Standing Committee on Education and Cultural Affairs the annual reports of the activities of the various Boards of Visitors.

The general format and reporting year of September to August is consistent with past years and was mutually agreed upon by the Presidents. The annual reports from all universities within the University of Maine System, with the exception of the University of Maine School of Law which does not have a Board of Visitors, are attached for submission to the Board of Trustees as an information item with the November Board meeting materials.

Please reach out with any questions you may have.

Encl.
Overview

Chair Michael Bourque, Vice Chair position remains vacant, President Ferrini-Mundy, members of her cabinet and board of visitor members engaged in strategic discussions related to NECHE accreditation, UMS TRANSFORMS and ongoing enrollment and budget initiatives. The board of visitors met in person three times and six times virtually.

Membership

During the academic year 2022-2023, six new members joined the board. The board has an equal mix of gender, and no vacant positions. The board chairs of the University of Maine Foundation and the University of Maine Alumni Association as well as a representative from University of Maine Machias Board of Visitors attended in ex-officio status. The board geographic representation includes 17 members from Maine, 2 members from Massachusetts, one from New Hampshire and New Jersey respectively and one from Florida. The professional background of board members includes three President/CEOs from the business sector, two retirees from higher education, two currently serving higher education senior leaders, senior management from the fields of medical research, healthcare, financial planning, state government, two attorneys and three other retirees.

Officers

The University of Maine Board of Visitors is led by the Chair, Michael Bourque.

Schedule

The University of Maine Board of Visitors schedule includes monthly check-in virtual zoom calls for 30 minutes and in person meetings in September and February. The annual meeting is held in June. All meetings allow for in-person and virtual options given the geographic dispersion and schedules of board members.

Overview

UMA’s Board of Visitors is comprised of a group of highly professional, engaged regional representatives that provide guidance and feedback on UMA’s mission and its goals. Our BOV met quarterly during the last academic year. They provided strong leadership and valuable insights during the UMA Presidential search process. No significant concerns and/or issues were raised, with the exception of hoping for deeper, more meaningful engagement with the UMS BOT and the overall goals and plans for the Unified Accreditation work.

Overview
The 2022-2023 meetings of the UMF Board of Visitors (BOV) focused on Strategic Planning and initiatives, marketing, budgeting, and fundraising.

Membership
The Board had 13 voting members, 7 women, 6 men representing the private, nonprofit, and education/public sectors. The Board of Visitors membership was made up as follows:

**Private Sector**
- Todd Chamberlain ’03, Pro Search Inc.
- Jennifer Bjorn, Kyes Insurance
- Greg Patterson, Farmington Walmart
- John Moore, Narrow Gauge Cinemas

**Non-Profit Sector**
- Eileen Kreutz, Gold LEAF Senior Institute (*ex officio*)
- Barbara Sergio, Franklin Community Health Network
- Mana Abdi ’17, Bates College, and Disabilities Rights of Maine
- Thomas Dukes ’90, Brigadier General

**Education Sector**
- Jennifer Dorman ’93, Skowhegan Area Middle School
- Jonathan Moody ’98, Superintendent MSAD 54
- Cathryn Wimett, UMF professor (retired)
- Mattie Jernigan ’19, Educare Central Maine
- Peter Osborne ’09, Maine Municipal Association

One *ex officio* position is always reserved for a board member the President of the Gold Leaf Institute, UMF’s senior college.

Officers
Cathy Wimett, served as Chair.
Peter Osborne, served as Vice-Chair

Schedule
The Board met four times this year with a hybrid model during the reporting year. Board members were also invited to All-Campus meetings, Chancellor meetings, Strategic Planning interviews,
Connecting with the Community, Symposium, UMF fundraiser event, and other events and forums on and off campus throughout the year.

Meeting Summaries
September 9, 2022
Board Administration. 13 members in attendance.

Chair Cathy Wimett welcomed the BOV, introduced the new members, and reviewed recent and upcoming encounters.

Cathy expressed the need for financial viability and engagement with UMF. UMF is important to the community. She expressed a desire to have adults come back to the school to get a degree, to continue their degree, and graduate from UMF. A desire for athletic improvement was expressed with updating the facilities. An example would be a new turf field.

President Joe McDonnell reported to the BoV members about enrollment and retention. UMF must work hard to recruit students and to move students from the college experience to a career.

Looking forward, the President addressed the need to continue to focus on the traditional aged students, but to expand to transfers, adult learners, early college, and graduate education. UMF strength is in experiential education. We will seek to create articulation agreements for community colleges, hands on education, and a primary focus on teaching. This is an advantage for the university.

We must do more with graduate level work as well as early college. There are growth opportunities in, outdoor recreation, education, wellness, early learning and childcare, and global education.

Enrollment Planning:
Christine Wilson, VP for Enrollment and Student Services updated the BoV about staff vacancies and new staff hires. The Ferro Alumni House is being revitalized and events are going to be schedule at that facility.

Christine talked about the turf and track opportunities and how that could grow enrollment. This would provide an opportunity for additional income with tournaments in the summer months that could be hosted by the community. The first step would be bringing in stakeholders to develop a plan to secure the turf field. The goal would be to secure a turf field with the least amount of investment from the community.

Meeting adjourned

December 2, 2022
Board Administration. 16 members in attendance.

Chair Wimett welcomed the BOV, reviewed the agenda, and made introductions.
Cathy had a discussion with the chair of the Board of Trustee’s about a candidate to represent Western Maine. There was a committee meeting on December 9th about the turf field, which would include lighting and further discussion would be taking place.

President Joe McDonnell reported a dramatic increase in online education throughout the country, but not at UMF.

Special Education continues to be a unique to UMF and the need to expand this program. There was also a discussion about how the health and outdoor recreation might also expand. Outdoor recreation, tourism & hospitality, actuarial science is a few of the areas in which UMF offers distinctive programs. BoV member Steve Hewins mentioned that UMF is a rural University and should build on its rural character in education to attract new students.

Christine Wilson, VP for Enrollment and Student Services updated the BoV about the mental health needs on campus. There is a need to identify students who are suffering from mental health challenges and give faculty the tools to better support students. BoV member Jennifer Dorman stated that this begins with students at the middle school and continues throughout the student’s education career. She suggested creating programs at the university designed to directly address mental health struggles.

Kathy Yardley, Provost and Dean of Education, Health and Rehabilitation gave an update on the 4:3 credit transition. We are ninety percent done, after finalization from the Faculty Senate, transition plans will be taking place.

Articulation Agreements:
Kathy discussed looking ahead to create templates to help develop and host conversations with the community for its students to transfer into UMF.

Programs in Development:
New undergraduate programs are in development in Forensic Psychology, and middle-level education, Graduate certificates are being developed in S.T.E.A.M for teachers, nature-based education, professional writing, climate education sciences, and human resources.

Meeting adjourned.

March 3, 2023
Board Administration. 13 members in attendance.
Chair Wimett welcomed the BOV, reviewed the agenda.

Chair Wimett explained the way the Chancellor communicates with individual BOVs. The UMF BOV can have up to three people at these meetings, and every campus is represented. It’s essential that the UMF BOV be an active participant in their meetings.

Cathy expressed that here are openings for new BoV members, and the board should begin looking for potential members who could assist in growing the board and the university. Suggested
representatives from Franklin Savings Bank, more UMF alumni, the Farmington Community Center, teachers and leadership from the local schools, Maine State Representatives, and other influential people from around the local community.

The men’s basketball and ski team both had successful seasons with the men’s basketball team making it to the NAC final.

President Joe McDonnell reported about bringing in new students to the campus. There is a need to teach career orientated skills, online education, graduate education, and Early College programs. UMF needs to be competitive to recruit the same students that the other bigger universities are looking to recruit. BoV member Steve Hewins explained that articulation agreements and transfer students will be important for the universities continued success.

Working with the community colleges are important due to their rise in success in recruiting students. UMF is looking to accept Gen Ed classes from the community colleges so students can have more flexibility. Other ideas about how to make the campus more attractive are to create a pet friendly campus and host an open house for the community to come and see what the university has and will be doing.

BoV Member John Moore talked about holding a fundraiser to help the university in these programs. He stated that there is plenty of local support if the university reaches out and ask for their involvement.

Associate Provosts Kathy Yardley and Steve Quakenbush talked about UMF hosting the community colleges to show what the university is all about. There were multiple visits with positive feedback. Workshops were held with conversations on how the transition can be smooth and successful for both parties.

There are three new educational certificates available, and they are nature based, climate, and science/math.

Support is growing for a new turf field and request have been made on the cost of the field. Energy Service Company (ESCO) arrived on the campus to start working on energy projects.

The Sweatt-Winter building continues to make strides as windows are up in the observation rooms and the floors were placed down. The schedule for opening is August. Tours are going to be available for the BoV members to see first-hand the progress of the building.

Meeting Adjourned.

June 9, 2022

Board Administration. 20 members in attendance.

Chair Wimett welcomed the BOV and reviewed the agenda, recent engagement reports, as well as recent and upcoming encounters.

Cathy Wimett discussed her attendance at the teacher of the year conference. Farmington was well represented. There is a need for more teachers in Maine and UMF continues to develop many teachers for Maine. BoV members Jennifer Bjorn and John Moore are going to host a fundraiser at their home on June 24th. The goal will be to bring the community together and have a social gathering with the chance to make a financial contribution to the university and the programs taking place there.
President McDonnell went on the Tom Saviello radio show and had the chance to promote UMF and what the university has been doing. The show went well and was looked at as a success. BoV member Todd Chamberlain talked about hosting a network event monthly to give the university a platform to inform the community what is happening around the campus.

There were several openings for new BoV members, and the following were selected to be voted on: These names will be presented at the next BOT meeting and voted on.
- Tim Thomson, Franklin Savings Bank President
- Steve Hewins, Independent Hospitality
- Byron Davis, Riverbend property owner
- Shawn Roderick, Legislative Aide and Alumni ‘06
- Jason Judd, Ex Director of Educate Maine, and Alumni ‘05
- Theresa Overall, Retired UMF Faculty in Secondary Education
- Monique Poulin, RSU 9 Instruction, Curriculum, & Grants

There was a need also to elect a new BoV Chair and Vice Chair.
- Peter Osborne was elected as the Chair.
- Steve Hewins was elected as Vice Chair.

Cathy Wimett was appointed to be the representative for the Gold LEAF position taking the place of Eileen Kreutz.

Cathy acknowledged the BoV members who were stepping down this year due to their time being over. Todd Chamberlain, John Moore, and Eileen Kreutz. Gifts were given to them along with Cathy for her great work as the BoV chair for the many years.

President Joe McDonnell reported the experience at the 2023 UMF Commencement. Doris Santoro was the honorary recipient this year and she also was the speaker. She talked about the decline in teachers and how to overcome this challenge.

The Energy Service has begun to update the campus with a new boiler to help lower the budget. Purington and Mallett housing units are getting major upgrades with new bathrooms, wiring, and plumbing.

The President spoke about a future where the student can take an online class from anywhere in the system. The student can pick and choose where they want that class to come from so the university must get ahead and be ready to have this available to the students. International relationships are in development with the university looking at a relationship with China and other countries. UMF is getting into high school and presenting an early college program that will attract students to continue their college career at the university. UMF will send faculty to the high school to make presentations and represent the campus.

Christine Wilson of Student Affairs reported on the success of employed students in the system and UMF being the highest. Next year the university is going to have an assessment website that will display class projects and major research projects so the community can see them.

UMF is being successful in the retention of 2nd to 3rd year and 3rd to 4th year students along with improving 1st to 2nd year student retention.
The Scholarship inventory is taking place and to understand exactly what each one covers. Most of UMF is education based and there is an effort looking to create a career fund that is used for plane tickets, clothing, etc.

Jaime O'Connor was introduced as the Director of Alumni Relations. She reports about visiting many alumni outside Maine in Colorado, Florida, and California. These are places that events could take place. Her goal is to host events in the top 12 states with most UMF alumni in 2024. She has started connecting with alumni via Facebook and emails. Jaime mentioned upcoming events like Bob Marley concert, Alumni Council event, Woodshed event, and an Orono brewery tour in September.

Increasing enrollment must continue to be our focus. Enrollment is consistent with national data. We’re seeing growth in graduate.

Kathy Yardley the Co Provost reported that 73 articulation agreements have been received and now just need to be finalized. There is the opportunity to grow a relationship through these agreements.

The meeting adjourned and everyone traveled to the Sweatt-Winter Building to have a tour with Keenan Farwell. This building will open sometime in the fall.

Meeting Summary:

Funding approved for a UMaine School of Law Rural Practice Clinic on the UMFK campus. The goal is to start in Spring 2023. Many visits are expected on campus this fall. Chancellor on September 9; new BOT member Barbara Alexander on campus September 13; and NECHE team visiting UMFK on October 1. Several meetings were held over the summer regarding the Transformative Programs of Distinction. We are looking to diversify our portfolio to help increase credit hour generation. Some options we are reviewing are: The Academy, Veteran’s Learning and Living Community, summer conference camps, recruit students from Canada, focus on viable programs. Review of enrollment and budget. Student Rep reported on past events and future plans. Some highlights of faculty activities during the summer. Development Officer reported on the upcoming Stakeholder Retreat, “Bengal Brew”, a new beer created by our local brewery First Mile, premiered during the Homecoming weekend. Etiquette Dinner planned in the spring. Significant pledge to the Michael Simon Scholarship received. Review of events that have been held and plans for future events; discussion of scholarship gifts and how they will be awarded to needy students. The Advocacy Committee is planning a Business Breakfast soon. The Nominating Committee is looking to set guidelines regarding attendance at these meetings. The two-year plan was discussed and will be reviewed and updated at the next meeting.

Agenda:

- Welcome & Approval of December Minutes
- Focus Area: Immersion Simulation Center
- UMFK Updates and Reports: System, Campus, Budget, Enrollment, Student, Faculty, Foundation and Alumni
- Committee Reports: Advocacy, Education and Development, Planning, and Nominating
- BOV Discussion
- Adjournment

Meeting Summary:

Funding from UMS Jobs Recovery Act enabled UMFK to install an Immersion Simulation Center. It is the only one of its kind in all New England! NECHE Evaluation Team Report was received and reviewed. FY24 deficit will not be as large as originally projected. Some reserves will be used to balance the budget. We need to focus on utilizing our unique location and industries to help us increase enrollment. Admissions will be expanding their recruiting territories. Applications have increased by 43%; admitted students by 11% and matriculated by 54%. Five faculty members submitted highlights of the semester. The Development Officer reported on a Stakeholder Retreat which was held in the fall. Lots of wonderful conversations allowed us to set some guiding principles for our three Boards. There will be a ribbon cutting ceremony for “Light the Field” on Homecoming weekend. Overall gifts to UMFK Foundation for FY 22 were $267,608.33 which allowed 128 students to receive scholarships in FY23. The UMFK Spring Gala will be on May 13; Trivia Night is on March 23. The Alumni Association hosted Bengal Power Hour which allowed students and community business members to connect with each other to form relationships and potential job opportunities. Ski-Shoe-Ski was successful in bringing together staff, faculty, students, and community members to raise money for scholarships. The Board is preparing for the upcoming BOT meeting on the UMFK Campus in May. The committee reviewed the two-year plan and will use it as a guiding tool for the Board. Campus tours will be highly recommended for all Board members.

Overview

Chair Kyle Winslow, Vice Chair, Charley Martin-Berry, President Ferrini-Mundy, members of her cabinet and board of visitor members engaged in strategic discussions related to how the board of visitors could help advance strategic initiatives. The board of visitors met in person seven times and held two virtual planning meetings.

Membership

During the academic year 2022-2023, six new members joined the board. The board has 17 members (10 female and 7 male) and one faculty representative. The board geographic representation includes 16 members from Washington County and 1 member from Penobscot County. The professional background of board members includes three senior managers from community non-profit organizations, a retiree from higher education, high school principal and community college president, senior management from the fields of healthcare, banking, town manager, and nursing.

Officers

The University of Maine at Machias Board of Visitors is led by the Chair, Kyle Winslow and Vice-Chair, Charley Martin-Berry.

Schedule

The University of Maine at Machias Board of Visitors schedule includes in-person meeting every two months and an annual meeting is held in July. All meetings allow for in-person and virtual options given the geographic dispersion and schedules of board members.

Meetings and Agenda Items
In September of 2022 the members of the Regional Campus Task Force provided a subcommittee report and reviewed recommendations for further action.

In October 2022 the Board of Visitors hosted a Machias Business leaders forum to discuss opportunities for partnerships between UMM and the business community and how to best advance the needs of businesses in the community. The predominate recommendation was to increase internships.

The November 2022 in person meeting included an update from President Ferrini-Mundy to include follow up from the business leaders meeting, a report from the Interim Dean, Heather Ball on the progress of the Dean and Head of Campus search and an update on academic integration. Program updates came from Hope Shore and Patty Keene from the Rec Center. The Chair, Kyle Winslow, discussed ways to better understand connections to community capabilities and presented a plan to map community connections.

The highlight for the January 2023 agenda was an opportunity to welcome the new Dean and Campus Director, Megan Walsh and to present campus updates to the Maine Development Foundation’s Legislative Bus Tour of over 50 legislators and guests.

The March 2023 Agenda included:
- Annual Meeting planning led by the Chair, Kyle Winslow. The theme chosen was honoring our UMM legacy and looking forward.
- Board of Visitors Subcommittee for Recruitment – Kyle Winslow
  Bill Kitchen, Kyle Winslow, Jackie Leonard, Diane Dunn, Rhiannon Hampson.
  Discussion about who is leaving and how many to recruit.
  A vote is needed for a new BoV Chair.
- President’s Report – President Joan Ferrini-Mundy
  The Chancellor and the Board of Trustees have released messages regarding COVID vaccinations not being required for students going forward. Meredith Whitfield has accepted the position of Chief Marketing and Communications Officer at UMaine and UMM. Next Board of Trustees meeting will be jointly hosted by UMaine and UMM. UMM Transforms continues and we are focusing on Pathways to Careers as part of student success. Enrollment and recruitment is on-going with some challenges. No checks for vaccinations at Commencement this year.
- Dean’s Report – Megan Walsh
  Clipper Legacy, retiring and honoring our logo. Financial Challenges and Solutions: UMM is running a deficit. Need to increase efficiencies and seek growth opportunities. Look for streamline programing and combining academic calendars. Dean Walsh suggested consideration of courses that are offered once a year, every semester, several sections or combined, etc. She highlighted the need to return to the standard of having 12 students registered per course to run the course. Dean Walsh outlined upcoming facilities renovations and repairs. She announced that an on campus Public Safety Officer will be hired for fall and that an Emergency Operations Center for Law Enforcement will be housed in
Torrey Hall. Jude Killy is working with UMM to consider athletics options for the future.

**May 2023 Agenda** highlights included:
Commencement review, retirement ceremony and capital project highlights. Provost Volin provided detailed information regarding the budget challenges and status of faculty positions. He explained the goal to have seamless course transitions. Dean Walsh presented updates on the UMS strategic plan, UMM athletics task force, and marketing and communications as a shared resource. Associate Provost for Academic Affairs and faculty Development, Gabe Parquette provided an overview of faculty support programs. Vice President for Enrollment Management, Kevin Coughlin discussed new strategies for enrollment and admission.

**July 20, 2023,** Annual Meeting held at the Reynolds Center.

The BOV elected Sarah Craighead Dedmon as its new chair. Four new members were also added: Kyle Pepperman, Betty Mason, Dean Preston, and Jackie O’Clair. There were continued discussions regarding workforce development and brainstorming session regarding seafood distribution and solutions. There are 10 interns at Downeast Institute this summer. There are ongoing opportunities to increase presence and work with K-12 schools and students Downeast.

ANNUAL REPORT
Academic Year – September 2022 to August 2023

OVERVIEW
Our year was highlighted by discussions of the growth of the YourPace (competency-based) program, and the opportunities afforded for working adults both within the local communities and much farther afield. BOV members were included in discussions about the recovery of residence hall enrollments and the continuing impact on auxiliary budgets. Regular discussions involved monthly updates on the budget and enrollments, including the fiscal gap created by the fees paid to the third-party providing marketing/recruitment to the YourPace program and the process of ending that arrangement. The BOV was also updated on changes to the organizational structure and the dispensation of off-site properties. The BOV engaged in discussions regarding congressionally directed spending and the potential for significant capital investments (i.e., the Gauvin Family Auditorium in Wieden Hall), as well as the importance of pursuing a turf field both to ensure competitiveness of the campus regarding NCAA Division III schools in the region and to solidify and increase athletic recruitment. The BOV was also briefed on the new “EXPECT” marketing campaign prior to its public introduction. Service on multiple UMPI committees continues to engage the BOV with the campus community generally, including on University Senate, Resource Allocation Committee, as well as the standing committees of the BOV. New BOV members brought new or continuing connections to local business, municipalities, health care organizations, as well as non-profits.

MEMBERSHIP
Our board consisted of 7 women and 9 men, all of whom live and work in the Central Aroostook County area.
