# UNIVERSITY OF MAINE SYSTEM – 2018-19 COMPLETIONS REPORT

---

## INTRODUCTION

The following report provides summary information on degrees and certificates completed at the University of Maine System for the 2018-19 academic year. The notes below apply to all the tables and charts contained within this report, unless otherwise noted:

1. Data for past years may differ from previous reports due to changes in the segregation of data by award level and discipline. The current report follows the classification standards outlined by the National Center for Education Statistics (IPEDS).
2. The 2018-19 reporting period is between July 1, 2018 and June 30, 2019.
3. Multiple credentials awarded to a single individual within the academic year are counted separately. Multiple credentials are based on independent courses of study (e.g., one in Business and Management and one in Foreign Languages), not multiple majors within the same degree.
4. The figures in this report include only first majors.
5. Percentages may not add to 100% due to rounding.
6. Certificates include certificates awarded below and above the baccalaureate level.
7. Law includes degrees conferred in the Master of Laws (LL.M.) in addition to the Juris Doctorate (J.D.). Totals for each university appear at the top of each data set.
