INTRODUCTION

The following report provides summary information regarding enrollment at the University of Maine System for the 2020-21 academic year, as well as prior academic years. For the purposes of this report, an academic year is defined as the summer, fall, and spring semester (e.g., Summer 2020, Fall 2020, and Spring 2021 terms comprise the 2020-21 academic year). All data reported is as of the census dates for each term, August 15, October 15, and February 15.

Notes:

1. UMS early college students are excluded from this report.
2. In the unduplicated headcount tables, students enrolled in multiple terms at an institution within an academic year are counted only once. For example, a student enrolled in Summer 2020 and Fall 2020 at the same UMS institution would be counted only once for that institution in the 2020-21 academic year.
3. In the unduplicated headcount tables, students are reported at the highest academic career within an academic year. For example, a student enrolled as an Undergraduate in Summer 2020 and enrolled as a Graduate student in Fall 2020 would be reported as a Graduate student in the 2020-21 academic year.
4. In the unduplicated headcount tables, students are reported by their most recent tuition residency within an academic year. For example, a student with a tuition residency of NEBHE in Summer 2020 and a tuition residency of In-State in Fall 2020 would be reported as In-State for the 2020-21 academic year.
5. Some totals may not appear to sum correctly due to rounding (e.g., credit hours and percentages).
6. In the case of intra-campus cross-listed courses, the Host institution (the UMS institution hosting/teaching the course) receives the credit hours for the course, while the Home institution (the UMS institution where the students’ primary enrollment is) keeps the headcount.

Data Source: PeopleSoft Database; the University of Maine System.
