Your next proposal for fiscal year ending June 30, 2024 is due in our office by December 31, 2024.

Let me know if you need anything else or have any questions. The rate agreement publication review process has been impacted due to our operation overall being hindered by the pandemic. Normally short forms have taken up to 1.5-2 months. For a long form it could take even longer, you could be looking at up to 3 months until you receive your rate agreement. I apologize for the wait, unfortunately there is nothing I can do to speed up the process.

Respectfully,

Douglas Molina

Hello Douglas,

Thank you again for taking the time to review our benefit rate proposal.

The listed dates and rates are absolutely acceptable but I do want to clarify the "Applicable To" column. The 54.2% and 57.7 % benefit rates should apply to "All Other Employees" while the 8.3% and 7.9% rates should apply to "Temporary Employees". Outside of that, we agree with everything.

Please let me know if you have any questions and thank you again for your time.

Respectfully,
Greg Kolvoord
