

**UNIVERSITY OF MAINE SYSTEM  
HIPAA POLICY #28  
DISCLOSURES FOR WORKERS' COMPENSATION**

**I. General**

Except as otherwise provided in UMS HIPAA Policies regarding Psychotherapy Notes, HIV and Substance Abuse Information, a Health Care Component may disclose PHI as authorized by and to the extent necessary to comply with laws relating to workers' compensation or other similar programs, established by law, that provide benefits for work-related injuries or illness without regard to fault.

Revised 02/05/2010
