

**REQUEST FOR PROPOSALS #04-09  
ADDENDUM #2  
October 6, 2008**

**REQUEST FOR PROPOSALS (RFP) FOR A  
SCANNING ELECTRON MICROSCOPE  
FOR THE UNIVERSITY OF MAINE (UM)**

The University is amending RFP #04-09 as follows:

Proposals must be received by October 16, 2008

The University has extended the due date by one week from October 9, 2008 to October 16, 2008.

**Demonstration Equipment:** The University will consider demonstration or demo equipment as an **optional** response to this RFP. All bidders are required to offer a completely new system with all new components. However, if bidders would also like to offer a demonstration system or a system with demonstration components they may do so.

Offer a completely new system with all new components

If also offering a demo system or system with demo components bidders must:

Clearly identify what component(s) are new and which are demo

Clearly describe the age and history of any demo component
