

**REQUEST FOR BIDS #11-08
ADDENDUM #1
December 18, 2007**

**REQUEST FOR BIDS (RFB) FOR
BAKERY PRODUCTS FOR THE UNIVERSITY OF MAINE (UM)**

OLD

Section 3.2 currently reads:

“All products shall be delivered fresh. Day old bread or bread which has been frozen at the time of production and thawed prior to sale will not be accepted.”

Dining Services has decided that the University can accept frozen products, but will still not accept day-old products.

NEW

Please change Section 3.2 so that it now reads:

“Fresh bakery products are specified; however, bids will be accepted for bakery products which have been frozen at the time of production. Frozen products with expired use-by dates or day-old products will not be acceptable.”
