#### SECTION ONE

#### 1.0 GENERAL INFORMATION:

- 1.1 Purpose: The University of Maine System, acting through the University of Maine is seeking bids for a contract for bread, rolls and bakery products required for various food operations on campus.
- 1.2 Definition of Parties: The University of Maine will hereinafter be referred to as the "University." Respondents to the RFB shall be referred to as "Bidders." The Bidder to whom the contract is awarded shall be referred to as the "Contractor."
- 1.3 Award: It is the intent of the University to award this bid all to one bidder. The University reserves the right to conduct any tests it may deem advisable and to make all evaluations. The University reserves the right to reject any or all bids, in whole or in part and is not necessarily bound to accept the lowest bid if that bid is contrary to the best interests of the University. The University reserves the right to waive minor irregularities. Scholarships, donations, or gifts to the University will not be considered in the evaluation of bids. A bid may be rejected if it is in any way incomplete or irregular. When there are tie bids, there shall be a preference for "in-state bidders". When tie bids are both in-state or both out-of-state, the award will be made to the bid that arrives first at the Office of Strategic Procurement.
- 1.4 Evaluation Criteria: Award will be made to the low bidder provided that all other requirements are satisfactorily met. However, consideration will be given to delivery and references.
- 1.5 Samples: Samples are not required at the time of bid opening but may be requested by the University prior to an award. If requested, samples shall be exact and true representatives of the products offered and each sample shall be properly tagged or labeled with the name of the bidder and the specific item number. Samples shall be provided at no cost to the University. In the event the delivered product fails to conform to the sample provided, the Contractor shall immediately replace the portion of the delivered product with acceptable material conforming to the contract requirements at no additional cost to the University.
- 1.6 Communication with the University: It is the responsibility of the bidder to inquire about any requirement of this RFB that is not understood. Responses to inquiries, if they change or clarify the RFB in a substantial manner, will be forwarded by addenda to all parties that have received a copy of the RFB. Addenda will also be posted on our web site, <a href="https://www.maine.edu/strategic/upcoming\_bids.php">www.maine.edu/strategic/upcoming\_bids.php</a>. The University will not be bound by oral responses to inquiries or written responses other than addenda.

Inquiries must be made to: Hal Wells

- 1.7 Bid Understanding: By submitting a bid, the bidder agrees and assures that the specifications are adequate, and the bidder accepts the terms and conditions herein. Any exceptions should be noted in your response.
- 1.8 Award Protest: Bidders may appeal the award decision by submitting a written protest to the University of Maine System's Director of Strategic Procurement within five (5) business days of the date of the award notice, with a copy of the protest to the successful bidder. The protest must contain a statement of the basis for the challenge.

1.9 Submission: A SIGNED original and three (3) copies of the bid must be received at the Office of Strategic Procurement, University of Maine System, 16 Central Street, Bangor, Maine 04401, in a sealed envelope no later than 2:00 P.M. local time, Thursday, January 10, 2008, for a public opening. The bid must be date/time stamped by the Office of Strategic Procurement in order to be considered. Bidders are strongly encouraged to submit bids in advance of the due date/time to avoid the possibility of missing the 2:00 PM deadline due to unforeseen circumstances. Bidders assume the risk of the methods of dispatch chosen. The University assumes no responsibility for delays caused by any package or mail delivery service. A postmark on or before the due date WILL NOT substitute for receipt of bid. In the event of suspended University operations, the bid opening will be rescheduled for the next business day at the same time and location. Bidders may wish to call (207) 973-3298 to determine if University operations have been suspended. Bids received after the due date and time will be returned unopened. Additional time will not be granted to any single bidder, however, additional time may be granted to all bidders when the University determines that circumstances require it. FAXED OR E-MAIL BIDS WILL NOT BE ACCEPTED.

1.10	10 Bid Envelope: The signed bid should be returned in an envelope or package, sealed identified as follows:						
	From						
		Name	Due Date	Time	Bid No.		

- 1.11 Costs of Preparation: Bidder assumes all costs of preparation of the bid and any presentations necessary to the bidding process.
- 1.12 Debarment: Submission of a signed bid in response to this solicitation is certification that your firm (or any subcontractor) is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any State or Federal department or agency. Submission is also agreement that the University will be notified of any change in this status.
- 1.13 Bid Validity: Unless specified otherwise, all bids shall be valid for ninety (90) days from the due date of the bid.
- 1.14 Errors: Bids may be withdrawn or amended by bidders at any time prior to the bid opening. After the bid opening, bids may not be amended. If a significant mistake has been made by an apparent low bidder, the bidder will be given the option of selling at the price given or withdrawing the bid. If an extension error has been made, the unit price will prevail.
- 1.15 Specification Protest Process and Remedies: If a bidder feels that the specifications are written in a way that limits competition, a specification protest may be sent to the Office of Strategic Procurement. Specification Protests will be responded to within five (5) business days of receipt. Determination of protest validity is at the sole discretion of the University. The due date of the bid may be changed if necessary to allow consideration of the protest and issuance of any necessary addenda. Specification protests shall be presented to the University in writing as soon as identified, but no less than five (5) business days prior to the bid opening date and time. No protest against the award due to the specifications shall be considered after this deadline. Protests shall include the reason for the protest and any proposed changes to the specifications. Any product, which remains in an operation when a shut down begins, may be picked up by the Contractor and credit issued to that Dining Service location, at the University's request. The University will provide the Contractor with an Academic Year calendar for the purpose of planning for these times. (Academic Year 2007-2008 is enclosed as Attachment A).

Cash operations remain open during shut down periods and must be serviced.
