**REQUEST FOR PROPOSALS # 16-14
Collection Services
University of Maine System
ADDENDUM #2**

It has been brought to our attention that the response to Q39 shown below needed a little elaboration:

The University of Maine

University of Maine
at Augusta

University of Maine
at Farmington

University of Maine
at Fort Kent

University of Maine
at Machias

University of Maine
at Presque Isle

University of
Southern Maine

Q39. Page 6, section 2.11 indicates that litigation will be performed in the State of Maine, but Section 4.2.1(a) requests a list of all attorneys who will provide collection services. Does the University anticipate litigation taking place only in Maine, or is the University looking for nationwide litigation?

Original response:

A39. Nationwide.

Revised response:

A39. With regard to Page 6 section 2.11, we are simply saying that Maine law governs any contract or agreement between the University and its contractor(s).

With regard to 4.2.1 we are asking for information regarding attorneys in (a) and (b) **ONLY** if agency is a law firm. However, we would expect an agency to be able to do collection work on a nationwide basis. If agency is not a law firm, these sections should be blank.
