

REQUEST FOR PROPOSALS #29-13
Residence Hall Furniture
University of Maine
ADDENDUM #1

In response to vendor inquiries, the University offers the following:

- Q1. Does a bidder need to be on a state contract to submit a proposal?
- A1. No.
- Q2. Is the width 32" and the depth 19"?
- A2. The width of the dresser should be 32" and the depth of the dresser should be 19". There was an error on the dimensions in section 3.6 in the RFP.
- Q3. Except for drawer fronts, are other hardwood species acceptable for drawer box components?
- A3. Yes.
- Q4. What are the side panels to be made of?
- A4. Per section 3.6 of RFP 29-13, the side panels are to be made of:
"Lumber [that] shall be northern grown solid Red Oak (*Quercus rubra*) hardwood, fully seasoned and kiln dried to moisture content of 5% to 7%. Panels shall consist of planks, no less than 1-inch, or more than 5-1/2 inches in width, selected for appearance and arranged in a random pattern. All material shall be of select quality, free of defects which impair appearance and serviceability."
