(a) All-Inclusive, including FCM, RMR and LFR.

(b) FCM PT, including all charges except FCM.

(c) Broker Fee: There will be a Broker Fee in the amount of \$0.00125/kWh for volume associated with Augusta and Machias only. Bidders should include the Broker Fee in their bid. When submitting pricing, please include the credit status (if approved, length of approved term; if not approved, requirements for further credit review/approval).

- 1.4 Evaluation Criteria: Award will be made to the low Bidder provided that all other requirements are satisfactorily met and competitively bid. The University will not consider non-responsive bids or proposals, i.e., those with material deficiencies, omissions, errors or inconsistencies.
- 1.5 Award: The University reserves the right to award this bid on a location by location basis, price and other factors considered. The University reserves the right to conduct any tests it may deem advisable and to make all evaluations. The University reserves the right to reject any or all bids, in whole or in part and is not necessarily bound to accept the lowest bid if that bid is contrary to the best interests of the University. The University reserves the right to waive minor irregularities. The University may cancel this request for bids and reject any or all responses in whole or in part. Scholarships, donations, or gifts to the University, will not be considered in the evaluation of bids. A bid may be rejected if it is in any way incomplete or irregular. When there are tie bids, there shall be a preference for "in-state Bidders". When tie bids are both in state or both out of state, the award will be made to the bid that arrives first in the office designated to receive the bids.
- 1.6 Freedom of Access Act: The University must adhere to the provisions of the Maine Freedom of Access Act. (FOAA), 1 MRSA sec 401 et seq. As a condition of accepting a contract under this section, a supplier must accept that, to the extent required by Maine FOAA, responses to this solicitation, and any ensuing contractual documents, are considered public records and therefore are subject to freedom of access requests, except that all documents subject to Maine FOAA will be held confidential until an award is made.
- 1.7 Appeal: Bidders may appeal the award decision by submitting a written protest to the University Chief Procurement Officer within 5 business days of the date of the award notice with a copy of the protest to the successful bidder. The protest must contain a statement of the basis for the challenge.
- 1.8 Costs of Preparation: Bidder assumes all costs of preparation of the bid and any

presentations necessary to the bidding process.

- 1.9 Debarment: Submission of a signed bid in response to this solicitation is certification that your firm (or any subcontractor) is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any State or Federal department or agency. Submission is also agreement that the University will be notified of any change in this status.

SECTION TWO

2.0 BIDDING REQUIREMENTS:

- 2.1 Bid Understanding: By submitting a bid, the Bidder agrees and assures that the specifications are adequate, and the Bidder accepts the terms and conditions herein. - 2.2 Communication with the University and the Bid Administrator: It is the responsibility of the Bidder to inquire about any requirement of this RFB that is not understood. Responses to inquiries, if they change or clarify the RFB in a substantial manner, will be forwarded by addenda to all parties that have received a copy of the RFB. The University will not be bound by oral responses to inquiries or written responses other than addenda.

- 3.1 Contract Documents: If a separate written contract is entered into by the University and the Contractor (hereinafter "the parties,") such contract shall be referred to herein as "Contract". In the event there are discrepancies or inconsistencies among the Contract, the signed bid response and/or this RFB, the Contract will be the prevailing document followed by the signed bid response and then this RFB.

- 3.2 Contract Modification and Amendment: The parties may, after mutual written agreement, adjust the specific terms of the Contract (except for pricing) where circumstances beyond the control of either party require modification or amendment. Any modification or amendment proposed by the Supplier must be in writing to the University Purchasing Department. Any modification or amendment must only be upon mutual agreement of the parties and in writing and signed by both parties.
- 3.3 Contract Term: The Contract term shall begin **December 1, 2017 for a period of 12 or 24 months.**
- 3.4 Contract Administration: Upon execution of the Contract, the University Chief Procurement Officer, Rudy Gabrielson, or his designee or assign at the University shall be the University's authorized representative in all matters pertaining to the administration of this Contract.

- 3.6 Contract Validity: In the event one or more clauses of the Contract are declared invalid, void, unenforceable or illegal, that shall not affect the validity of the remaining portions of the Contract.
- 3.7 Clarification of Responsibilities: If the Supplier needs clarification of, or deviation from, the terms of the Contract, it is the Supplier's responsibility to obtain written clarification or approval from the University Chief Purchasing Officer, Rudy Gabrielson, or his designee or assign at the University.
- 3.8 Litigation: This Contract and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Maine without reference to its conflicts of laws principles. The Supplier agrees that any litigation, action or proceeding arising out of this Contract shall be instituted in a state court located in the State of Maine.

- 3.9 Indemnification: The Supplier shall indemnify, hold harmless and defend the University, its trustees, employees and agents, from and against any and all actions, losses, expenses, claims, lawsuits, damages, judgments, and costs, including reasonable attorney's fees, suffered or sustained by the University or for which the University may be held or become liable by reason of injury (including death) to persons or property or other causes whatsoever in connection with or arising out of the negligent acts, omissions or operations of the Supplier, or any of its subcontractors, under this Contract.
