

## **Important Instructions for Downloading RFP 19-14 Embedded Documents**

The PDF file for RFP 19-14 contains two editable files required for proposal submission. These embedded documents are not accessible from your web browser's PDF viewer helper application. In order to access these embedded documents, download the PDF file (generally right clicking on the "save" or "download" command will download the full PDF package). The embedded documents can then be accessed, edited and saved.

Should you continue to encounter issues downloading the PDF package, please email [hcwells@maine.edu](mailto:hcwells@maine.edu) (please also carbon copy [rachel.piper@maine.edu](mailto:rachel.piper@maine.edu)). The PDF package will be sent via return email.
