

**REQUEST FOR PROPOSALS #16-17
Propane
University of Maine at Farmington
ADDENDUM #1**

This addendum is being issued to provide respondents with answers to questions provided to the Bid Administrator pursuant to the RFP.

Q1. Does the University own the tanks?

A1. No.

Q2. Can you confirm if the University owns their own tanks or if their current supplier does?

A2. See answer to Q1.

Q3. Do you know what the breakdown of gallons per location is? Approximate is fine.

A3. Historical annual usage by month by location:

	Jul	Aug	Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	TOTAL
Dining Ctr	996	996	996	996	996	996	996	996	996	996	996	996	11,955
Preble, Ricker, Garage	3	7	13	26	73	106	119	112	99	66	26	10	662
Merrill Hall	6,986	6,773	0	0	0	971	2,290	1,319	220	0	0	11,535	30,094
Gym	114	111	260	623	893	1,213	1,307	1,034	1,137	737	356	216	8,000
TOTAL	8,100	7,886	1,270	1,646	1,962	3,287	4,713	3,462	2,452	1,799	1,378	12,756	50,710

In 2015, the University installed a biomass fueled central heat plant. That plant became operational in February 2016 and does not have a full year of operation. Therefore, the total volume requested in the RFB is an estimate and lift by location and/or by month may vary compared to historical consumption. Most impacted will be Merrill Hall which is a CHP support location.

Q4. Can you tell me what propane tanks are owned by UMF and what (Amerigas) company owned?

A4. See answer to Q1.

Q5. The list has a 18,000 that must be the back-up to the biomass???

A5.. This tank was included by mistake. It is not part of this RFB.

This addendum also revises the tank list provided in Attachment 1 to the RFB by removing the following tank: Central Heating Plant (1x18,000)
