PAETEC
Telephone Association of Maine
Time Warner Cable Business Class
Verizon Business

The following clarification is added to RFP #02-10. Consideration will be given to this item in evaluation under Technical Criteria.

Preferred Points of Presence:

The University has listed multiple Points of Presence across the state at which it can receive "up-link" or "aggregation" connections proposed by the bidders in order to attract additional bidders and/or more cost effective regional solutions. However, if all else is equal, the two preferred Points of Presence are the University of Southern Maine in Portland and the MPBN Technical Center in Bangor.
