Q1. Under Appendix B – Cost Response Form Exhibit 1 – Pricing – Athletic Charter Bus for the University of Maine the list of trips for the Orono teams are confusing, for example, Women's Soccer is listed as doing six different trips leaving on October 10th. Assuming for the purpose of the proposal, the University only needs prices for the specific destinations and the dates don't mean much?

A1. *The dates used were from invoices from 2015 and exact travel dates for 2016 at the time when the RFP was published was not available. All dates under University of Maine (Orono) were based on 2015 invoice dates and not actual travel dates for 2016. The University only needs prices for the specific destinations and number of students, the dates will vary.*
