OFFICE OF STRATEGIC PROCUREMENT**

**REQUEST FOR PROPOSAL #14-10
PHOTOCOPIER EQUIPMENT, SUPPLIES, AND SERVICE**

**ADDENDUM #2
February 5, 2010**

The following information is being provided in response to a bidder question.

Question: There was a discussion that it was ok to quote equipment (5) cpm below or above requested segment. Could you clarify? TxS

Answer: *From Section 4.1 of the RFP: "If you can offer the speed indicated but you choose to offer a higher speed you should explain your reasons for doing so. If you must offer equipment outside of these guidelines please explain why."*

Given that language bidders are free to propose speeds below or above that requested but please be clear about your reasons for doing so and specifically what benefit the University derives from it. Your explanation may be critical during the evaluation.
