**ADDENDUM #3  
February 11, 2010**

The following information is being provided in response to a bidder question.

**Question:** During our meeting in Bangor I asked if the Guaranteed volume was 34,000,000 and I thought you said yes and that represents 60% of the actual, but looking at the individual locations it is listed as actual and guaranteed. The guaranteed adds up to 20,000,000. Would you please clarify.

**Answer:** "Actual" volume is 34,497,202. **Guaranteed B/W annual volume, 20,698,321** is 60% of 34,497,202. Guaranteed minimums are by Campus as shown on attachment A.
