

**University of Maine System**  
**University of Maine System FM Radio Translator License Agreement - RFx# 2016-57**  
**ADDENDUM #01**

**CLARIFICATION**

1. "The public advertisement of this solicitation is here updated to state: "The University of Maine System is announcing release of a Request for Proposal for a qualified entity to accept assignment of the University of Maine System license for FM Translator Station W281AC, Facility id 87718, 104.1 MHz, Channel 281, Portland Maine (the "Translator")." This language is as stated in Section 1.1.2 of the solicitation. This addendum makes no changes to the solicitation itself."
