

**University of Maine System**  
**Analysis of Current Copier/Printer Service Delivery & Cost Distribution Systems**  
**- RFQ# 2018-12**  
**ADDENDUM #03**

**CLARIFICATION**

1. Response submission deadline is modified to February 8, 2018 EOD EST.

**QUESTIONS**

1. Is it possible to get a list of addresses of all of the location that will be part of the needs assessment?

**ANSWER:**

Please refer to Exhibit 1 at the end of this Addendum #03 for a list of University of Maine System buildings. Also please be advised a small percentage of the buildings noted do not house any print devices and there may additionally be a few facilities on the smaller scale not listed.

2. Can you please provide us each of the Campus's address, along with the number of buildings and floors per building for each campus?

**ANSWER:**

Please refer to Exhibit 1 at the end of this Addendum #03 for a list of University of Maine System buildings. Also please be advised a small percentage of the buildings noted do not house any print devices and there may additionally be a few facilities on the smaller scale not listed.

3. The flagship campus is a land grant institution. Are extension offices, which we presume are located throughout the State, included in the scope of this study?

**ANSWER:**

Please refer to Exhibit 1 at the end of this Addendum #03 for a list of University of Maine System buildings. Also please be advised a small percentage of the buildings noted do not house any print devices and there may additionally be a few facilities on the smaller scale not listed.

4. The flagship campus is a public research institution. Are centers, institutes, and research-funded entities and collaborations included in the scope of this study?

**ANSWER:**

Please refer to Exhibit 1 at the end of this Addendum #03 for a list of University of Maine System buildings. Also please be advised a small percentage of the buildings noted do not house any print devices and there may additionally be a few facilities on the smaller scale not listed.

5. The campuses of the University of Maine System include auxiliaries of many types. Are these auxiliaries included in the scope of this study?

**ANSWER:**

Please refer to Exhibit 1 at the end of this Addendum #03 for a list of University of Maine System buildings. Also please be advised a small percentage of the buildings noted do not house any print devices and there may additionally be a few facilities on the smaller scale not listed.

**University of Maine System**  
**Analysis of Current Copier/Printer Service Delivery & Cost Distribution Systems**  
**- RFQ# 2018-12**  
**ADDENDUM #03**

6. What is the contract term with Canon Corporation on the multifunction devices (MFDs)?  
ANSWER: Term of the Agreement is December 31, 2020 with options for renewal. MFD lease terms may extend beyond this contract date.
