RESPONSE ADDENDUM #1
March 30, 2018

This addendum responds to initial questions submitted by vendors.

The University of Maine

Q1. Is there a location on campus for dumping snow for snow removal?

A1. Yes

University of Maine
at Augusta

Q2. Will the University provide a staging location for equipment to be stored?

A2. Yes

University of Maine
at Farmington

University of Maine
at Fort Kent

Q3. If awarded the contract to do all of the snow plowing for all of the parking lots and roads does the University have a salt shed that can be utilized by the Contractor?

A3. No, for now the University will need to still utilize the salt shed for clearing and salt application of the walkways.

University of Maine
at Machias

University of Maine
at Presque Isle

Q4. Will the University notify the Contractor if school is going to be closed?

A4. Yes

University of
Southern Maine

Q5. Does the other parking lots that belong to the University need to be maintained at the same level as the parking lots for the Rehab Center?

A5. If classes have been canceled or is after hours the plowing of the remaining University parking lots do not need to be plowed as often as the Rehab Center however fire lanes are to be kept open. Contractor is to follow MS4 Standard Operating Procedures with regards to applying any ice control measures. When classes have NOT been canceled some classes start as early as 7:00 AM and thus the parking lot shall be plowed prior to the start of class making it usable for students.

Q6. If plowing all of the campus is Taft Street to be plowed by the Contractor?

A6. Yes
