SECTION 1

1.0 General Information

1.1 Purpose

The University of Maine (UMaine) is seeking bids for one (1) Compact All Wheel Steer Loader as defined in this document. This document provides instructions for submitting responses, the procedure and criteria by which the Provider(s) will be selected, and the contractual terms which will govern the relationship between the University and the awarded Bidder(s).

Though this document is primarily for UMaine, all campuses in the University of Maine System must be afforded the use of this solution, with all the same terms and conditions applicable to the various University locations.

1.2 Definition of Parties

The University of Maine System will hereinafter be referred to as the "University." Respondents to the document shall be referred to as "Bidder(s)" or "bidder(s)". The Bidder to whom the Contract is awarded shall be referred to as the "Contractor."

1.3 Eligibility to Submit Responses

1.3.1 Public entities, private for-profit companies, and non-profit companies and institutions are invited to submit a response to this document.

1.4 Evaluation Criteria

Award will be made to the low bidder provided that all other requirements are satisfactorily met, as outlined in Section 2 Scope of Work and Sections 4 – 8 of this document.

No Best and Final Offers: The University will not seek a best and final offer (BAFO) from any Bidder in this procurement process. All Bidders are expected to provide their best value pricing with the submission of their proposal.

1.6 Communication with the University

It is the responsibility of the bidder to inquire about any requirement of this document that is not understood. Responses to inquiries, if they change or clarify the document in a substantial manner, will be forwarded by addenda to all parties that have received a copy of the document. Addenda will also be posted on our web site, www.maine.edu/strategic/upcoming_bids.php

It is the responsibility of all bidders to check the web site before submitting a response to ensure that they have all pertinent documents. The University will not be bound by oral responses to inquiries or written responses other than addenda.

Inquiries must be made using the Response Contact Information provided on the cover sheet of this document. Failure to comply with this requirement could result in disqualification from further consideration.

Refer to table in Section 1, 1.5 Timeline of Key Events for deadline requirements.

1.7 Optional Inspection of Trade-in

Bidders are to contact Harold Dall at 581-2646 for specifications and an on-site inspection of trade-in value for UMaine Bobcat Toolcat # 300-537 (2009 Bobcat Toolcat model 5600T, Serial number A0W113821 including: an electric poly sander unit, V- /scoop/angle plow; and bucket). Bidders are required to call in advance to schedule a time at the availability of the University. Trade-in will only be available for on-site inspection March 27, 2018 and March 28, 2018 between the hours of 8:00 am and 2:00 pm.

1.8 Award

Presentations may be requested of two or more bidders deemed by the University to be the best suited among those submitting responses on the basis of the selection criteria. After presentations have been conducted, the University may select the bidder(s) which, in its opinion, has made the response that is the most responsive and most responsible and may award the Contract to that/those bidder(s). While the University prefers a single solution that is scalable to meet the needs of both large and small institutions, it reserves the right to award contract(s) to one or multiple vendors, which may include awards to bidders for a geographical area, if such award is in the best interest of the University.

The University reserves the right to waive minor irregularities, which may include contacting the Bidder to resolve the irregularity. Scholarships, donations, or gifts to the University, will not be considered in the evaluation of responses. The University reserves the right to reject any or all responses, in whole or in part, and is not necessarily bound to accept the lowest cost response if that response is contrary to the best interests of the University. The University may cancel this request or reject any or all responses in whole or in part. Should the University determine in its sole discretion that only one bidder is fully qualified, or that one bidder is clearly more qualified than any other under consideration, a contract may be awarded to that bidder without further action.
1.9 Award Protest
Respondents may appeal the award decision by submitting a written protest to the University of Maine System’s Chief Procurement Officer within five (5) business days of the date of the award notice. The protest must contain a statement of the basis for the challenge. The University will provide a copy of the protest to the awarded bidder. Further information regarding the appeal process can be found at http://staticweb.maine.edu/wp-content/uploads/2015/07/APL_VII-A_20150630-FINAL.pdf?565a1d

1.10 Confidentiality
The information contained in responses submitted for the University's consideration will be held in confidence until all evaluations are concluded and a Respondent selected (the successful Respondent). At that time the University will issue award notice letters to all participating Respondents and the successful Respondent’s response may be made available to participating Respondents upon request. Such request will be made by submitting a written request to the individual noted in the Response Contact Information shown on the cover sheet of this document, with a copy of the request to the successful Respondent.

After the protest period has passed and the Agreement is fully executed, the winning response will be available for public inspection.

Pricing and other information that is an integral part of the offer cannot be considered confidential after an award has been made. The University will honor requests for confidentiality for information of a proprietary nature to the extent allowed by law. Clearly mark any portion of your submitted materials which are entitled to “trade secret” exemption from disclosure under Maine’s Freedom of Access Act. Failure to so identify as trade secret will authorize the University to conclude that no portions are so exempt; and that your entity will defend, indemnify and hold harmless the University in any and all legal actions that seek to compel the University to disclose under Maine’s Freedom of Access Act some or all of your submitted materials and/or contract, if any, executed between the University and your entity.

The University must adhere to the provisions of the Maine Freedom of Access Act (FOAA), 1 MRSA §401 et seq. As a condition of submitting a response under this section, a respondent must accept that, to the extent required by the Maine FOAA, responses to this solicitation, and any ensuing contractual documents, are considered public records and therefore are subject to freedom of access requests.

1.11 Costs of Preparation
Bidder assumes all costs of preparation of the response and any presentations necessary to the response process.

1.12 Debarment
Submission of a signed response in response to this solicitation is certification that your firm (or any subcontractor) is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any State or Federal department or agency. Submission is also agreement that the University will be notified of any change in this status.
1.13 Response Understanding
By submitting a response, the bidder agrees and assures that the specifications are adequate, and the bidder accepts the terms and conditions herein. Any exceptions should be noted in your response.

1.14 Response Validity
Unless specified otherwise, all responses shall be valid for ninety (90) days from the due date of the response.

1.15 Non-Responsive Responses
The University will not consider non-responsive responses, i.e., those with material deficiencies, omissions, errors or inconsistencies.

1.16 Response Submission
A SIGNED original and one virus-free electronic copy (thumb drive) must be made using the Response Submission Information provided on the cover sheet of this document.

The response must be provided in a sealed envelope by the Response Deadline Date/Time provided on the cover sheet of this document. Response provided will be date stamped by the Office of Strategic Procurement in order to be considered. Normal business hours are 8:00 a.m. to 4:00 p.m., Monday through Friday.

FAXED OR E-MAIL RESPONSES WILL NOT BE ACCEPTED. The envelope must be clearly identified on the outside as follows:

Name of Bidder
Address of Bidder
April 6, 2018 2:00 pm
RFB #060-18

The University will hold a Public Opening April 6, 2018 at 2:00 pm located in the Keyo Building Conference Room 100.

1.17 Authorization
Any contract or agreement for services that will, or may, result in the expenditure by the University of $50,000 or more must be approved in writing by the Office of Strategic Procurement, Chief Procurement Officer and it is not approved, valid or effective until such written approval is granted.
SECTION 2

2.0 General Terms and Conditions

2.1 Contract Administration
The Office of the Chief Procurement Officer or its designee shall be the University's authorized representative in all matters pertaining to the administration of this Contract.

2.2 Contract Quantities
The quantities shown on the cost response form are approximate only. The contractor shall cover the actual needs of the University throughout the term of the contract regardless of whether they are more or less than the quantities shown.

2.3 Contract Validity
In the event one or more clauses of the Contract are declared invalid, void, unenforceable or illegal, that shall not affect the validity of the remaining portions of the Contract.

2.4 Non-Waiver of Defaults
Any failure of the University to enforce or require the strict keeping and performance of any of the terms and conditions of this Contract shall not constitute a waiver of such terms, conditions, or rights.

2.5 Cancellation/Termination
If the Contractor defaults in its agreement to provide personnel or equipment to the University's satisfaction, places University students or employees at significant risk of harm, or in any other way fails to provide service in accordance with the contract terms, the University shall promptly notify the Contractor of such default and if adequate correction is not made within seventy-two (72) hours the University may take whatever action it deems necessary to provide alternate services and may, at its option, immediately cancel this Contract with written notice. Cancellation does not release the Contractor from its obligation to provide goods or services per the terms of the Contract during the notification period.

2.6 Clarification of Responsibilities
If the Contractor needs clarification of or deviation from the terms of the Contract, it is the Contractor's responsibility to obtain written clarification or approval from the Contract Administrator.

2.7 Litigation
This Contract and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Maine without reference to its conflicts of laws principles. The Contractor agrees that any litigation, action or proceeding arising out of this Contract, shall be instituted in a state court located in the State of Maine.
2.8 Assignment
Neither party of the Contract shall assign the Contract without the prior written consent of the other, nor shall the Contractor assign any money due or to become due without the prior written consent of the University.

2.9 Equal Opportunity
In the execution of the Contract, the Contractor and all subcontractors agree, consistent with University policy, not to discriminate on the grounds of race, color, religion, sex, sexual orientation, including transgender status or gender expression, national origin or citizenship status, age, disability, genetic information, or veteran’s status and to provide reasonable accommodations to qualified individuals with disabilities upon request. The University encourages the employment of individuals with disabilities.

2.10 Sexual Harassment
The University is committed to providing a positive environment for all students and staff. Sexual harassment, whether intentional or not, undermines the quality of this educational and working climate. The University thus has a legal and ethical responsibility to ensure that all students and employees can learn and work in an environment free of sexual harassment. Consistent with the state and federal law, this right to freedom from sexual harassment was defined as University policy by the Board of Trustees. Failure to comply with this policy could result in termination of this Contract without advanced notice.

2.11 Pricing
All prices quoted shall remain firm for the entire term of the agreement.
SECTION 3

3.0 Response Submission Requirements

This section contains instructions for Bidders to use in preparing their responses. The Bidder’s response must follow the outline used below, including the numbering and section and sub-section headings as they appear here. Failure to use the outline specified in this section or to respond to all questions and instructions throughout this document may result in the response being disqualified as non-responsive or receiving a reduced score. The University and its evaluation team for this document have sole discretion to determine whether a variance from the document specifications should result in either disqualification or reduction in scoring of a response. Re-phrasing of the content provided in this document will, at best, be considered minimally responsive. The University seeks detailed yet succinct responses that demonstrate the Bidder’s experience and ability to perform the requirements specified throughout this document.

Responses to each requirement below should be in order and clearly marked with the section number to which they respond.

3.1 General Format Instructions

3.1.1 Responses are to be prepared on standard 8-1/2” x 11” paper. Foldouts containing charts, spreadsheets, and oversize exhibits are permissible. The pages should be placed in a binder with tabs separating the sections of the response. Manuals and other reference documentation may be bound separately.

3.1.2 All pages should be numbered consecutively beginning with number 1 on the first page of the narrative (this does not include the cover page or table of contents pages) through to the end, including all forms and attachments. For clarity, the Bidder’s name should appear on every page, including Attachments. Each Attachment must reference the section or subsection number to which it corresponds.

3.1.3 Bidders must complete and submit the response cover page provided in Appendix A of this document and provide it with the Bidder’s response. The cover page must be the first page of the response. It is important that the cover page show the specific information requested, including Bidder address(es) and other details listed. The response cover page shall be dated and signed by a person authorized to enter into contracts on behalf of the Bidder.

3.1.4 It is the responsibility of the Bidder to provide all information requested in the document package at the time of submission. Failure to provide information requested in this document may, at the discretion of the University’s evaluation review team, result in a lower rating for the incomplete sections and may result in the response being disqualified for consideration.

3.1.5 The Bidder may not provide additional attachments beyond those specified in the document for the purpose of extending their response. Any material exceeding the response limit will not be considered in rating the response.
Request for Bid – UMaine Facilities Management All Wheel Compact Loader

Dated: March 23, 2018

and will not be returned. Bidders shall not include brochures or other promotional material with their response. Additional materials will not be considered part of the response and will not be evaluated.

3.1.6 Include any forms provided in the application package or reproduce those forms as closely as possible. All information should be presented in the same order and format as described in this document.

3.1.7 Bidders are asked to be brief and to respond to each question listed in the “Requirements Sections” of this document. Number each response in the response to correspond to the relevant question in this document.

3.2 Content Format Instructions

The response shall be submitted under the same cover at the same time, as listed below:

2. Appendix B - Debarment, Performance and Non-Collusion Certification
3. Appendix C - Provide response for Pricing and Trade in
4. Any remaining attachments required as part of the response.

Bidders need to submit pages 14 through 23 ONLY
SECTION 4 - REQUIREMENTS

4.0 Costs

Bidders shall ensure that all information required herein is submitted with the response. All information provided should be verifiable by documentation requested by the University. Failure to provide all information, inaccuracy or misstatement may be sufficient cause for rejection of the response or rescission of an award. Bidders are encouraged to provide any additional information describing operational abilities.

Responses to each requirement below should be in order and clearly marked with the section number to which they respond.

4.1 Cost Response

4.1.1 General Instructions:
4.1.1.1 The Bidder must submit a cost response that covers the entire period of the contract, including any optional renewal periods.

4.1.1.2 The cost response shall include the costs necessary for the Bidder to fully comply with the contract terms and conditions and requirements.

4.1.1.3 Failure to provide the requested information and to follow the required cost response format provided in Appendix B may result in the exclusion of the response from consideration, at the discretion of the University.

4.1.1.4 No costs related to the preparation of the response for this document or to the negotiation of the contract with the University may be included in the response. Only costs to be incurred after the contract effective date that are specifically related to the implementation or operation of contracted services may be included.

4.1.2 Cost Response Form Instructions – Appendix B

4.1.2.1 The Bidder **MUST** fill out **Appendix B**, following the instructions detailed in Appendix B.
SECTION 5

5.0 List of Appendices and Related Documents
This section lists documents which are included.

5.1 Appendix A – University of Maine System Response Cover Page

5.2 Appendix B – Debarment, Performance and Non-Collusion Certification

5.3 Appendix C – Cost Response Form

Appendix B – Debarment, Performance and Non-Collusion Certification

University of Maine System
DEBARMENT, PERFORMANCE and NON-COLLUSION CERTIFICATION
RFB #060-18
University of Maine Facilities Management Compact All Wheel Steer Loader

By signing this document, I certify to the best of my knowledge and belief that the aforementioned organization, its principals and any subcontractors named in this proposal:

a. Are not presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from bidding or working on contracts issued by any governmental agency.
b. Have not within three years of submitting the proposal for this contract been convicted of or had a civil judgment rendered against them for:
   i. Fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a federal, state or local government transaction or contract.
   ii. Violating Federal or State antitrust statutes or committing embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
   iii. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or Local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and
   iv. Have not within a three (3) year period preceding this proposal had one or more federal, state or local government transactions terminated for cause or default.
c. Have not entered into a prior understanding, agreement, or connection with any corporation, firm, or person submitting a response for the same materials, supplies, equipment, or services and this proposal is in all respects fair and without collusion or fraud. The above mentioned entities understand and agree that collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards.

Failure to provide this certification may result in the disqualification of the Respondent's proposal, at the University's discretion.

**All Wheel Compact Loader**
- Required Unit must be either a 2018 or 2019 model, must be new, not used

**Engine**
- Required 4 cylinder, liquid cooled diesel engine
- Required Turbocharged engine
Required - Minimum Net 70 Horsepower / Gross 72 Horsepower  
Your Unit: Net:_________/Gross:__________

Required Exhaust emission and noise level shall comply with the State of Maine, Federal and EPA standards

Required Engine block heater

Required Engine automatic shut-down for low oil pressure to prevent damage, or equal

Required Engine speed to be controlled by hand lever or foot pedal

Required Creep control for maximum hydraulic flow

Controls

Required Hydraulic system

Required Joystick hand controls

Minimum 2-speed (high/low) travel  
Your Unit:________________________

Axles & Brakes

Required Hydrostatic pumps driven off engine to provide pressure and flow to two fixed motors

Required Hydrostatic braking and spring applied

Required Spring released parking brake

Required Fully hydrostatic four wheel drive, heavy duty design

Required Front axle differential to be either
  ○ differential lock
  or
  ○ limited slip

Required Front & rear fenders

Hydraulics

Required Heavy duty package to handle add-on equipment (high flow)

Required Extreme service filtration system

Minimum pressure of 3,000 PSI at couplings  
Your Unit:______________________

Required Hydraulic oil cooler

Required Unit Hydraulics to be set up to operate all attachments listed below

Required Unit to be equipped with auto ride control

Required Couplings to be flush-face quick style
compatible with skid-steer coupler (remote hydraulic activated from within cab)

**Operator’s Cab**
- Required Air conditioning and heated cab with defroster
- Required Hydraulic Bucket Positioning
- Required Sound reduction
- Required Instrumentation to include all standard gauges and warning lights
- Required Backup alarm
- Required Horn
- Required Attachment control kit
- Required AM/FM Radio
- Required Digital hour meter
- Required Fabric covered seat
- Required Bluetooth microphone and speaker for cell phone connection (if available)
- Required Exterior Mirrors
- Required Air ride seat
- Required All locks on unit shall be keyed the same as the ignition key (i.e. one (1) key for entire unit)
- Required Hydraulic bucket positioning standard return to dig

**Electrical System**
- Required 12 volt heavy duty DC system
- Minimum 80 amp alternator
- Required Maintenance free battery with 900 CCA minimum or dual batteries greater than 900 CA

Your Unit:________________________

- Required All computer controlled functions must have the ability to be bypassed in order to obtain a “limp-mode” of travel or equivalent ability to be disabled to be towed

Your Unit:________________________

**Cooling System**
- Required Heavy duty cooling system
Filters

- Preferred All filters to be spin-on type

Operating Weight

- Minimum 13,000 lbs. standard counterweight only, no additional counterweights allowed, rear tire ballast included.

Tires

- Required Industrial 70R20 mud and snow tires – Industrial type (not agricultural or turf) and need to be R20 rated, size should be per the manufacturers Recommendation, 10 ply preferred, 8 ply minimum

- Required Factory supplied spare rim and mounted tire included with unit. Rim to be factory painted

- Required Rear Tires to be filled with rim guard / beet juice or equivalent for additional ballast that will not freeze (rear tires only)

Bucket

- Required Standard approximately 80” bucket with bolt-on cutting edge, must be wider than the width of the tires

- Required 3-Ton G80 welded on lifting hook with safety latch mounted at top center of bucket

Other Equipment

- Required Shock-proof mounted headlights and work lights

- Required 14-prong adaptor harness

- Preferred On-board diagnostic system

Lighting

- Required Front driving lights with working lights

- Required Rear flood lights

- Required Stop tail lights

- Required Turn sign lights with 4-way flasher capability

- Required Interior dome cab light

- Required Strobe lights to be LED and are to be mounted in the front and rear lights. Absolutely no strobe lights on the roof. Final location to be approved by UMaine Facilities Management prior to assembly
Loader Performance Specifications

- Minimum Bucket Breakout 12,000 lbs.  
  Your Unit: ________________________

- Minimum Tipping Load Straight 9,500 lbs.  
  Your Unit: ________________________

- Minimum hinge pin height 10’11”  
  Your Unit: ________________________

Attachments – All Attachments are Required – Most be equal to or better than listed

- HLA Snow 3500 SnowPusher or equal
  - Required 120 inches wide
  - Required Double Sidewall
  - Required Replaceable, Reversible Cutting Edge
  - Required Spring Trip Cutting Edge

- Erskine Hydraulic Snowblower 2410XL Series or equal
  - Required Direct-drive hydraulic auger
  - Required Replaceable bolt-on high-carbon steel cutting edge, 5/8” x 6”
  - Required Hydraulic relief – no shear pins
  - Required Hydraulic control valve w/ electric solenoid controls all chute functions w/ built-in pressure relief system eliminating the need for shear pins
  - Required Easy adjustable depth skid shoes
  - Required must hook up to a 14-prong adaptor harness

- HLA Snow Bucket or equal
  - Required With Skidsteer coupler
  - Required 84” wide
  - Required Bolt-on cutting

- Alitec Cold Asphalt Planer model CP18 or equal
  - Required With Skidsteer coupler
  - Required 18 inch Cutting Width
  - Required 1,800 lb. Operating Weight
  - Required Number of teeth ~ 48
  - Required Tilt 15 degrees plus/minus
  - Required Hydraulic Depth Control, Tilt Control, & Side Shift Mechanisms
  - Required Electric Hydraulic Function Activation

- Erskine Hydraulic Teleboom or equal
Required With Skidsteer coupler
- Required 72” hydraulic stroke
- Required Hydraulic Cylinder 72”
- Required Factory Installed Couplers

**General Requirements**
- Required Manuals to be supplied with loader shall include one (1) set of the following for each component
  - Operator manual
  - Parts manual
  - Service manual
- Required Dealer training for one (1) session for University personnel on operation of unit.
- Required Dealer training for one (1) session for University personnel on maintenance of unit.
- Required Included with unit shall be a complete set of spare belts and filters.
- Required Unit shall be delivered fully serviced, tuned up, wheels balanced and ready to go.
- Required Unit shall be setup for all included attachments.
