

**University of Maine System
Point-to-Point Transport Services - RFB# 2018-51
ADDENDUM #01**

QUESTIONS

1. Given we will propose running a new submarine cable to Isleford from Great Cranberry – is it agreeable to leave the installation date open ended as we cannot commit to a July timeframe at this time.

ANSWER: Yes but only for a 3 Year Term

2. Understanding we will provide both 1 and 3 year monthly payment options for the service, is it agreeable that the University pay for the NRC up front for this new cable?

ANSWER: Yes, you can propose a NRC for the new cable.
