REQUEST FOR PROPOSALS #037-2018
Window Washing Services
University of Maine Dept. of Auxiliary Services
RESPONSE ADDENDUM #1
March 16, 2018

This addendum responds to initial questions submitted by vendors.

The University of Maine

Q1. Does each building have outside garden hose hookup?

University of Maine
at Augusta

A1. Yes and there are inside deep sink rooms available as well.

University of Maine
at Farmington

Q2. What is the specific time frame to complete the job?

A2. The timeframe may vary from year to year however usually starts around the 1st of May and needs to complete no later than mid to late August, depending on Academic Schedule.

University of Maine
at Fort Kent

Q3. The windows observed are in rough shape. What are the expectations for the glass, screen and track results? Do you expect a perfect, no blemish clean interior and exterior?

University of Maine
at Machias

A3. The glass itself should be blemish free however the University understands that some of the windows are not in the best condition. Regarding screen and track results foreign debris should all be removed. With the exception of Balentine the majority of the screens and tracks are in decent condition.

University of Maine
at Presque Isle

Q4. Can the University provide a count per building for windows?

University of
Southern Maine

A4. See Attachment B

Q5. Is Doris Twitchell Allen Village (DTAV) include all four (4) units?

A5. Yes, See Attachment B – DTAV is listed as A, B, C, & D.
