Q1. In section 1.1.4 the Scope of Work is provided however in RIDER A the RFQ asks for the bidder to provide the service scope of work. Are we to choose from the bulleted list in section 1.1.4 which services we can provide and put it in RIDER A? Can you clarify what the expectations are for the "Scope of Work" section in RIDER A?

*A1. Rider A will be completed when a contract is executed between one of the Universities and the qualified firm. The University will include some of or all of the services included in Section 1.1.4 of the RFQ that would be utilized under the contract. See Appendix F – question #5.*
