Southern Maine

Q1. The cover page of the RFP states submissions are due November 16, 2018 End of Business however on page 6 – Timeline states November 16, 2018 2:00 PM EST, which one is it?

*A1. End of Business.*

Q2. Does the University want a single or double frame for the truck?

*A2. See page 20: One-piece heavy-duty reinforced heat treated high tensile steel straight channel frame with 110,000 PSyield shield. Frame must be supplied from the factory and not retrofitted at the dealer.*

Q3. Is the 135 amp charging station referring to an alternator?

*A3. Yes, that is referring to an alternator.*

Q4. Does the University know who provided the body on the chassis for the unit being traded in?

*A4. The University does not know who provided the body on the chassis. The Unit was purchased approximately 10 years ago. The specifications within the RFP do not match the unit to be traded in and is deemed by the University not applicable.*

Q5. Does the University prefer the unit to have vertical exhaust?

*A5. Yes*
