

**REQUEST FOR BIDS #2019-042
Wood Pellets
University of Maine at Fort Kent
ADDENDUM #1**

This addendum is being issued to provide respondents with answers to questions provided to the Bid Administrator pursuant to the RFB.

Q1. Referencing Sec.2.3 Negotiations of RFB #2019-042 can someone clarify “a proposed contract significantly different”. Different how?

A1. Section 2.3 Negotiations provides that the “University reserves the right to negotiate with the successful Respondent to finalize a contract” and the “University reserves the right to terminate contract negotiations with a selected respondent who submits a proposed contract significantly different **from the response they submitted in response to the advertised RFB.**”

Q2. Would it be possible to know who is currently supplying them as I have some concern about potentially bidding against one of our customers.

A2. The University is currently purchasing supply from a mill facility.
