CLARIFICATION

This clarification is for sections 1.3.1 (Timeline of Key Events) and 2.2.1 (Notification of Interest) regarding the requirement to submit a Notification of Interest (Appendix C). Thank you for the Notifications of Interest received to date. A Notification of Interest is not required to submit a bid for the RFQ. A Notification of Interest is required to attend the Pre-Bid Event. The University will send a Pre-Bid Event meeting invitation by email to only those parties that have submitted a Notification of Interest. The University will post a participant list and talking points from the Pre-Bid event to ensure that interested parties who are unable to attend the Pre-Bid Event are still able to benefit from the information passed along in the Pre-Bid Event.

1.3.1 Timeline of Key Events

The deadline for submitting a Notification of Interest is now 10/13/2020, before end of day. The Pre-Bid Event is scheduled for 1:00pm to 2:00pm ET on 10/14/2020.

2.2.1 Notification of Interest (required for participation in Pre-Bid Event)

All entities interested in submitting a Request for Qualifications must submit a Notification of Interest in order to participate in the Pre-Bid Event. The Notification of Interest must include the firm's name, firm overview, contact information and intended role for the Project (i.e. developer, general contractor, operator, manager, end-user/tenant, historic tax credit expert, etc.). The Notification of Interest must be limited to one page and follow the template provided in Appendix C. Submitting a Notification of Interest and attending any Pre-Bid Events are not required in order to submit a response to the RFQ.
