**CLARIFICATION**

The University has determined that it is in its best interest to extend the submission deadline to allow for more for more flexibility for vendors to see the campus and due to availability restrictions, we have updated the walkthrough (section 1.3.7 Respondents' Walk Through) to optional. Vendors should reach out to Derek Houtman, [derek.houtman@maine.edu](mailto:derek.houtman@maine.edu), to schedule a campus visit. **The new submission deadline is April 11, 2022, 11:59 PM EST.**

Appendix C incorrectly states that an MS Excel Version of the cost table must be submitted. An MS Word Version or PDF version of the cost table (Attachment B) must be included in your final submission.
