- 3.1 Contract Documents: If a separate written contract is entered into by the University and the Contractor (hereinafter "the parties,") such contract shall be referred to herein as "Contract". In the event there are discrepancies or inconsistencies among the Contract, the signed bid response and/or this RFB, the Contract will be the prevailing document followed by the signed bid response and then this RFB.

- 3.2 Contract Modification and Amendment: The parties may, after mutual written agreement, adjust the specific terms of the Contract (except for pricing) where circumstances beyond the control of either party require modification or amendment. Any modification or amendment proposed by the Supplier must be in writing to the University Purchasing Department.
