

**REQUEST FOR BID #2023-046**  
**Early College Admissions Solution**  
**RESPONSE ADDENDUM #01**  
**November 3, 2022**

**QUESTIONS**

**Q1:** The max amount is listed at \$10,000. But if enrollment increases in future years, that may be higher. Should I say "up to X students at XX rate, and additional students will costXXX?"

**A1: Yes that is an appropriate approach**

**Q2:** What is the services engagement form (Rider D)? I was unsure if I should just sign it or should I carry over the information that I provided in the RFB.

**A2: This is used for future needs and it does not require you to sign the form.**
