QUESTIONS

1. This type of modeling typically needs a ramp up of 3-6 months, thus, can you clarify the timeline for deliverables. Is the 3-4 years of analysis to be delivered in January 2023?

ANSWER: We understand that the timing of this type of modeling will take some time, we do not expect to have the 3-4 year analysis delivered in January 2023. We are looking to have a plan for the 2024-2025 academic year by May/June of 2023. Please make note of the deliverables and what is the scope of services is for each deliverable.

2. When is the beginning of your fiscal year?

ANSWER: July 1
