RESPONSE ADDENDUM #2
March 21, 2023

QUESTIONS

Q1: In Addendum #1, Q2 C: there is a reference to Farmington (card system) but in the RFP it says “wishes to transition to free play” page 5, 1.1.3. Can you please advise on this?

A1: The reference to a UMF card system in Addendum #1 was in error. The campus is transitioning to “free play”

Q2: On the spread sheet for Buildings – Machias shows 13 machines with Sennett Hall showing “0”. The cover page shows 22 machines in Machias which is what we have now. Should 22 remain?

A2: The cover page is incorrect. UMM (Machias) has a total of 13 machines, Sennett Hall has zero pieces of Equipment.
