QUESTIONS

Q1: Under 2.2.3 it states to label this response: - Section 4 – Response to Evaluation Questions & Related Information. Should this actually be labeled Section 3?

A1: [Correct. Please label this Section 3](#)

Q2: The check boxes are only boxes and not check boxes. I did find a way to create a check box and then cut and paste it over each of the boxes. Should I continue to do that, or will you be updating the spreadsheet so that the boxes are checkable?

A2: [An Excel version will be posted to our web site at:](#)
