1.0 INTRODUCTION

1.1 Definitions, Background, Purpose and Specifications

1.1.1 Definitions
The University of Maine System will hereinafter be referred to as the "University." Respondents to the document shall be referred to as "Respondent(s)" or "Respondent".

The Respondent to whom the Agreement is awarded shall be referred to as the "Contractor."

The University of Maine System and other components of the University shall be referred to as "Multi-Institution".

1.1.2 Background

Overview
Established in 1968, the University of Maine System (UMS) unites six distinctive public universities, comprising 10 campuses and numerous centers, in the common purpose of providing quality higher education while delivering on its traditional tripartite mission of teaching, research, and public service.

A comprehensive public institution of higher education, UMS serves more than 30,000 students annually and is supported by the efforts of more than 2,000 full-time and part-time faculty, more than 3,000 regular full-time and part-time staff, and a complement of part-time temporary (adjunct) faculty.

Reaching more than 500,000 people annually through educational and cultural offerings, the University of Maine System also benefits from more than two-thirds of its alumni population residing within the state; more than 123,000 individuals.

The System consists of six universities: The University of Maine (UMaine), including its regional campus the University of Maine at Machias (UMM); the University of Maine at Augusta (UMA); the University of Maine at Farmington (UMF); the University of Maine at Fort Kent (UMFK), the University of Maine at Presque Isle (UMPI); and the University of Southern Maine (USM). The System also includes the University of Maine School of Law and the University of Maine Graduate and Professional Center.

University of Southern Maine
Known for its academic excellence and student focus, the University of Southern Maine (USM) is a community-engaged university taking advantage of its three-campus location in the economic and cultural heart of Maine to provide unmatched, authentic, hands-on learning experiences. This gives our graduates a leg up in launching their careers while at the same time meeting the workplace needs of our region and state.

Our significant financial and academic support provides our students access to a high quality education, helps ensure their success once they are here and enables them to pursue and realize their dreams upon graduation.
Reflecting the community it serves, USM has become known as “the University of Everyone,” welcoming a diverse mix of ages, backgrounds and income levels to our 8,000 plus student body. Ranging from traditional high school graduates to adults completing their degree, from high achievers to those who may not have seen a college education in their future, from new Mainers to veterans who have served our nation, the University of Southern Maine supports their academic pursuits and encourages their advancement.

1.1.3 Purpose

The University of Southern Maine is seeking responses to provide Traffic Consulting Services as defined in this document. This document provides instructions for submitting responses, the procedure and criteria by which the Respondent(s) will be selected, and the contractual terms which will govern the relationship between the University and the awarded Respondent(s).

Respondents should review 1.1.4 Specifications / Scope of Work of this document to see the full Scope of Services/Products required.

The University is committed to providing increased access and opportunity to diverse businesses include and not limited to: Lesbian, Gay, Bisexual and Transgender Business Enterprise (LGBTQ+BE); Minority Business Enterprise (MBE); Service-Disabled Veteran Business Enterprise (SDVBE); Small Business Enterprise (SBE); veteran-owned; service-disabled veteran-owned; HUBZone; small disadvantaged business; women-owned; minority-owned; Veteran Business Enterprise (VBE); and Women’s Business Enterprise (WBE).

Though this document is primarily for the University of Southern Maine, all campuses in the University of Maine System must be afforded the use of this solution, with all the same terms and conditions applicable to the various University locations.

1.1.4 Specifications / Scope of Work

The following three items need to be completed in January of 2024, with the exception of any design services that may prove to be needed. They are all inter-related—

1) Forest/Bedford Condition of Approval:

- The condition of approval tied to our new building construction project on our Portland campus states: "Within six months after completion of the garage and full occupancy of the USM dormitory, the applicant shall monitor and conduct a review of operations of the traffic signal equipment improvements at the Forest Avenue/Bedford Street intersection as well as improvements on the I-295 Southbound Off-Ramp. The improvements including the detection and communication system must confirm outcomes and maximize operational efficiencies or the applicant must make adjustments to the satisfaction of Public Works."
- Assess Forest Ave and Bedford Street intersection, per the condition of approval above related to the new residence hall, McGoldrick Center, and parking garage
- Propose remedies for issues discovered & negotiate remedies on behalf of the University with the City of Portland
- Meet with University, neighbors, and City of Portland as needed via Zoom

2) Bedford Street Safety Issues:

- Analyze data gathered by University’s Office of Sustainability on the safety of Bedford Street, Winslow Street, Surrenden Street and the immediate surrounding area. Data have been gathered by direct observations since the new buildings (Res hall, student center, and parking garage) have opened on campus.
- Conduct additional monitoring of areas deemed to be concerning from a safety perspective, as needed
- Propose remedies for safety issues and advocate on behalf of the University for changes to the City of Portland, Maine DOT, and other entities who control the roadway
- Design remedies, if needed

3) SMCC TMP & TDM Impact:

- Analyze potential traffic and parking impacts of a continuation of the Southern Maine Community College (SMCC) agreement, which comprises the housing of SMCC students in University of Southern Maine's Portland Commons residence hall
- Impacts must be evaluated as they relate to our existing Traffic Movement Permit (TMP) and Transportation Demand Management Plan (TDM)
- Explain impacts to City of Portland and advocate for the University's stance on particular mitigation measures

This work would be needed between February and May of 2024–

4) Annual Reporting for TDM:

- Analyze data from annual transportation survey that the Office of Sustainability will carry out, while maintaining strict data security and confidentiality of responses
- Gather in/out data from parking garage complex on campus by working with the Parking Office and their parking vendors
- Analyze parking garage data to estimate trip generation and parking capacity for the whole Portland campus. If needed, supplement these estimates with an alternative method of trip generation/parking capacity estimation methodology
5) Parking Study for Gorham Campus:

- Conduct supply/demand study
- Collect and analyze data on turnover, occupancy, and duration
- Conduct online Survey and Analysis
- Create opportunities to reduce parking demand
- Evaluate general existing parking operations and practices
- Describe site considerations and expansion opportunities
- Incorporate EV charging and other sustainable considerations
- Describe code compliance and best practices recommendations in pedestrian safety and premises liability
- Incorporate monetization, quantitative and qualitative issues in the study
- Identify next steps in preparation of a Parking Management Plan

The following work will be considered on-call, and as needed, and could begin as early as sometime in 2024–

6) On-call Services for Future Needs:

- Study existing traffic or parking conditions on/near any of USM's three campuses
- Evaluation of traffic and parking impacts for future projects
- Assessment of how future projects, or alterations to existing projects, impact the University’s TMP or TDM plans
- Assist the University in developing future TMP or TDM plans as needed for other projects or other campuses (including Gorham & Lewiston)
- Assist University in data gathering, analysis, and packaging for annual reporting requirements and other reporting obligations
- Design traffic or parking-related infrastructure for future projects or improvements to existing projects

1.2 General Information

1.2.1 Contract Administration and Conditions

1.2.1.1 The winning Respondent will be required to execute a contract in the form of a University of Maine System Master Agreement, which is attached to this response as Appendix D. The Master Agreement initial term and renewal periods are reflected in Section 2 of Appendix D, Master Agreement, and are subject to continued availability of funding and satisfactory performance.

The Master Agreement entered into by the parties shall consist of the University of Maine System Master Agreement (attached to this document), the RFQ, the selected Respondent's submission, including all appendices or attachments and clarifications, the specifications including all modifications thereof, and a Purchase Order or Letter of Agreement requiring signatures of the University and
the Contractor, all of which shall be referred to collectively as the Agreement Documents.

In the event of a conflict of terms the following precedence will apply:
1. University of Maine System Master Agreement
2. Agreement Riders as required
3. Contract Amendments (as required)
4. The University’s RFQ
5. Respondent’s Submission
6. Purchase Order or Letter of Agreement

1.2.1.2 Modification of Agreement terms and conditions is permitted except that the University, due to its public nature, will not:

a. Provide any defense, hold harmless or indemnity;
b. Waive any statutory or constitutional immunity;
c. Apply the law of a state other than Maine;
d. Procure types or amounts of insurance beyond those UMS already maintains or waive any rights of subrogation.
e. Add any entity as an additional insured to UMS policies of insurance;
f. Pay attorneys’ fees, costs, expenses or liquidated damages;
g. Promise confidentiality in a manner contrary to Maine’s Freedom of Access Act;
h. Permit an entity to change unilaterally any term or condition once the contract is signed;
i. Accept any references to terms and conditions, privacy policies or any other websites, documents or conditions referenced outside of the contract; or
j. Agree to automatic renewals for term(s) greater than month-to-month.

1.2.1.3 By submitting a response to a Request for Qualifications, bid or other offer to do business with the University your entity understands and agrees that:

a. The above Agreement provisions (Section 1.2.1.2) will not be modified and are thereby incorporated into any agreement entered into between University and your entity; that such terms and condition shall control in the event of any conflict with such agreement; and that your entity will not propose or demand any contrary terms;
b. The above Agreement provisions (Section 1.2.1.2) will govern the interpretation of such agreement notwithstanding the expression of any other term and/or condition to the contrary;
c. Your entity agrees that the resulting Agreement will be the entire agreement between the University (including University’s employees and other End Users) and Respondent and in the event that the Respondent requires terms of use agreements or other agreements, policies or understanding, whether on an order form, invoice, website, electronic, click-through, verbal or in writing, with University’s employees or other End Users, such agreements shall be null,
void and without effect, and the terms of the Agreement shall apply.

d. Your entity will identify at the time of submission which, if any, portion or your submitted materials are entitled to "trade secret" exemption from disclosure under Maine's Freedom of Access Act; that failure to so identify will authorize UMS to conclude that no portions are so exempt; and that your entity will defend, indemnify and hold harmless UMS in any and all legal actions that seek to compel UMS to disclose under Maine’s Freedom of Access Act some or all of your submitted materials and/or contract, if any, executed between UMS and your entity.

1.2.2 Communication with the University

It is the responsibility of the Respondent to inquire about any requirement of this document that is not understood. Responses to inquiries, if they change or clarify the document in a substantial manner, will be forwarded by addenda to all parties that have received a copy of the document. Addenda will also be posted on our web site, www.maine.edu/strategic/upcoming_bids.php

It is the responsibility of all Respondents to check the web site before submitting a response to ensure that they have all pertinent documents. The University will not be bound by oral responses to inquiries or written responses other than addenda.

Inquiries must be made using the Response Contact Information provided on the cover sheet of this document. Refer to table in Section 1.3.1 Timeline of Key Events for deadline requirements.

1.2.3 Confidentiality

The University must adhere to the provisions of the Maine Freedom of Access Act (FOAA), 1 MRSA §401 et seq. As a condition of submitting a response under this section, a respondent must accept that, to the extent required by the Maine FOAA, responses to this solicitation, and any ensuing contractual documents, are considered public records and therefore are subject to freedom of access requests.

The information contained in responses submitted for the University's consideration will be held in confidence until all evaluations are concluded and a Respondent selected (the successful Respondent). At that time the University will issue award notice letters to all participating Respondents and all Respondents’ responses may be made available to participating Respondents upon request. Such request must be made by submitting a written request to the individual noted in the Response Contact Information shown on the cover sheet of this document, with a copy of the request provided to the other Respondents. Such requests are public records.

After the protest period has passed and the Agreement is fully executed, responses will be available for public inspection upon request.

Pricing and other information that is an integral part of the offer cannot be considered confidential after an award has been made. The University will honor requests for confidentiality for information that meets the definition of "trade secret" under Maine law. Clearly mark any portion of your submitted materials which are
entitled to “trade secret” exemption from disclosure under Maine's Freedom of Access Act. Failure to so identify as trade secret will authorize the University to conclude that no portions are so exempt; and that your entity will defend, indemnify and hold harmless the University in any and all legal actions that seek to compel the University to disclose under Maine's Freedom of Access Act some or all of your submitted materials and/or contract, if any, executed between the University and your entity.

1.2.4 Costs of Preparation
Respondent assumes all costs of preparation of the response and any presentations necessary to the response process.

1.2.5 Authorization
Any Agreement for services that will, or may, result in the expenditure by the University of $50,000 or more must be approved in writing by the Office of Strategic Procurement, Chief Procurement Officer and it is not approved, valid or effective until such written approval is granted.

Authorization. Any contract or agreement for services that will, or may, result in the expenditure by the University of $50,000 or more must be approved in writing by the Executive Director of Strategic Procurement & Services and it is not approved, valid or effective until such written approval is granted.

Vice Chancellor for Finance and Administration approval is required of any University of Maine System agreement of $50,000 or more, and it is not approved, valid or effective until such written approval is granted.

Chief Business Officer approval is required of any campus specific agreement of $50,000 or more, and it is not approved, valid or effective until such written approval is granted.

1.2.6 Multi-Institutional
The University of Maine System, Office of Strategic Procurement reserves the right to authorize other University Institutions to use the Agreement(s) resulting from this document, if it is deemed to be beneficial for the University to do so.

1.2.7 Pricing
All prices provided shall remain firm for the entire term of the agreement.

1.2.8 Employees
The Contractor shall employ only competent and satisfactory personnel and shall provide a sufficient number of employees to perform the required services efficiently and in a manner satisfactory to the University. If the Agreement Administrator or designee, notifies the Contractor in writing that any person employed on this Agreement is incompetent, disorderly, or otherwise unsatisfactory, such person shall not again be employed in the execution of this Agreement without the prior written consent of the Agreement Administrator.

1.2.9 Environment Compliance
In the event that the resulting Agreement involves the generation, transportation, handling, disposal, and/or other operations or activities in relation to toxic, hazardous, radioactive, or otherwise dangerous gases, vapors, fumes, acids, alkali's, chemicals, wastes or contaminants and/or other substance, material or condition, the Contractor agrees to indemnify save harmless and defend the University from and against all liabilities, claims, damages, forfeitures, suits, and the costs and expenses incident thereto (including costs of defense, settlement and reasonable attorney's fees) which the University may hereafter incur as a result of death or bodily injuries or damage to any property, contamination of or adverse effects of the environment or any violation of state or federal regulations or laws (including without limitation the Resources Conservation and Recovery Act, the Hazardous Material Transportation Act or the Superfund Amendment and Reauthorization Act, as the same now exists or may hereafter be amended) or order based on or arising in whole or in part from the Contractor's performance under the Agreement, provided, however the Contractor shall not indemnify the University for any liabilities, claims, damages, (as set forth above) caused by or arising out of the sole negligence of the University, or arising out of any area of responsibility not attributable to Contractor.

1.2.10 Specification Protest Process and Remedies:
If a Respondent feels that the specifications are written in a way that limits competition, a specification protest may be sent to the Office of Strategic Procurement to the email address provided on the cover page of this document. Specification Protests will be responded to within five (5) business days of receipt. Determination of protest validity is at the sole discretion of the University. The due date of the proposal may be changed if necessary to allow consideration of the protest and issuance of any necessary addenda. Specification protests shall be presented to the University in writing as soon as identified, but no less than five (5) business days prior to the Deadline for Proposal Submission noted in Section 1.3.1. No protest against the award due to the specifications shall be considered after this deadline. Protests shall include the reason for the protest and any proposed changes to the specifications.

1.3.2 Eligibility to Submit Responses
Public entities, private for-profit companies, and non-profit companies and institutions are invited to submit a response to this document.

1.3.3 Debarment
Respondents must complete and submit the “Debarment, Performance and Non-Collusion Certification Form” provided in Appendix B. Failure to provide this certification may result in the disqualification of the Respondent’s proposal, at the University’s discretion.

Submission of a signed response in response to this solicitation is certification that your firm (or any subcontractor) is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any State or Federal department or agency. Submission is also agreement that the University will be notified of any change in this status.

1.3.4 Response Understanding
By submitting a response, the Respondent agrees and assures that the specifications are adequate, and the Respondent accepts the terms and conditions herein. Any exceptions should be noted in your response.

1.3.5 Response Validity
Unless specified otherwise, all responses shall be valid for ninety (90) days from the due date of the response.

1.3.6 Non-Response Submission
The University will not consider non-responsive submissions, i.e., those with material deficiencies, omissions, errors or inconsistencies or that otherwise do not follow instructions. The University in its sole discretion will determine what is Non-Responsive.

1.3.7 Respondents’ Presentations
Presentations may be requested of two or more Respondents deemed by the University to be the best suited among those submitting responses on the basis of the selection criteria. After presentations have been conducted, the University may select the Respondent(s) which, in its opinion, has made the response that is the most responsive and most responsible and may award the Agreement to that/those Respondent(s).

1.3.8 Response Submission
A SIGNED virus-free electronic copy must be submitted as follows:
- The response must be received electronically to the E-Mail shown in the Response Submission Information section of the cover page of this document.
- Electronic submission must be received by the required Response Deadline Date/Time reflected on the cover page of this document.
- Response submissions that exceed 20 MB will be submitted with multiple emails modifying email subject line shown in the Response Submission Information.
Information section of the cover page of this document to include: Submission 1 of X ('X' representing the number of files being submitted).
2.0 EVALUATION AND AWARD PROCESS

2.1 Evaluation Process

2.1.1 Response Evaluation
The University will evaluate responses to determine if the Respondents are qualified to provide some or all of the goods and services listed in this RFQ. A Qualified Vendor List will be created based on this evaluation. The University will engage with Qualified Vendors to negotiate and put Agreements in place at its discretion.

2.2 Award
The University reserves the right to waive minor irregularities, which may include contacting the Respondent to resolve the irregularity. Scholarships, donations, or gifts to the University, will not be considered in the evaluation of responses. The University reserves the right to reject any or all responses, in whole or in part, and is not necessarily bound to accept the lowest cost response if that response is contrary to the best interests of the University. The University may cancel this request or reject any or all responses in whole or in part. Should the University determine in its sole discretion that only one Respondent is fully qualified, or that one Respondent is clearly more qualified than any other under consideration, an Agreement may be awarded to that Respondent without further action.

2.3 Negotiations
The University reserves the right to negotiate with the successful Respondent to finalize a contract. Such negotiations may not significantly vary the content, nature or requirements of the proposal or the University’s Request for Qualifications to an extent that may affect the price of goods or services requested. The University reserves the right to terminate contract negotiations with a selected respondent who submits a proposed contract significantly different from the response they submitted in response to the advertised RFQ. In the event that an acceptable contract cannot be negotiated with the highest ranked Respondent, the University may withdraw its award and negotiate with the next-highest ranked Respondent, and so on, until an acceptable contract has been finalized. Alternatively, the University may cancel the RFQ, at its sole discretion.

2.4 Award Protest
Respondents may appeal the award decision by submitting a written protest to the University of Maine System’s University of Maine System’s Chief Facilities and General Service Officer within five (5) business days of the date of the award notice, with a copy of the protest to the successful Respondent. The protest must contain a statement of the basis for the challenge. Further information regarding the appeal process can be found at

If this RFQ results in the creation of a pre-qualified or pre-approved list of vendors, then the appeal procedures mentioned above are available upon the original determination of that vendor list, but not during subsequent competitive procedures involving only the pre-qualified or pre-approved list participants.
3.0 RESPONSE FORMAT REQUIREMENTS

3.1 General Format Instructions

3.1.1 Electronic Submissions
Documents submitted as part of the electronic response are to be prepared on standard electronic formats of 8-1/2” x 11” and of PDF file type. Submissions requiring additional supporting information, such as, foldouts containing charts, spreadsheets, and oversize exhibits are permissible and must be submitted as Appendices, clearly numbered and referencing the Section in which they provide supporting information.

For clarity, the Respondent’s name should appear on every document page, including Appendices. Each Appendix must reference the section or subsection number to which it corresponds.

3.1.2 Respondents Responsibility
It is the responsibility of the Respondent to provide all information requested in the document package at the time of submission. Failure to provide information requested in this document may, at the discretion of the University’s evaluation review team, result in a lower rating for the incomplete sections and may result in the response being disqualified for consideration. Include any forms provided in the application package or reproduce those forms as closely as possible. All information should be presented in the same order and format as described in this document.

3.2 Response Format Instructions
This section contains instructions for Respondents to use in preparing their response. The Respondent’s submission must follow the outline used below, including the numbering of section and sub-section headings. Failure to use the outline specified in this section or to respond to all questions and instructions throughout this document may result in the response being disqualified as non-responsive or receiving a reduced score.

The University and its evaluation team for this document have sole discretion to determine whether a variance from the document specifications should result in either disqualification or reduction in scoring of a response.

Re-phrasing of the content provided in this document will, at best, be considered minimally responsive. The University seeks detailed yet succinct responses that demonstrate the Respondent’s experience and ability to perform the requirements specified throughout this document.

DEBARTMENT, PERFORMANCE and NON-COLLUSION CERTIFICATION
RFQ #2024-044
Traffic Consulting Services

By signing this document, I certify to the best of my knowledge and belief that the aforementioned organization, its principals and any subcontractors named in this proposal:

a. Are not presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from bidding or working on contracts issued by any governmental agency.

b. Have not within three years of submitting the proposal for this contract been convicted of or had a civil judgment rendered against them for:
   i. Fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a federal, state or local government transaction or contract.
   ii. Violating Federal or State antitrust statutes or committing embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
   iii. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or Local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and
   iv. Have not within a three (3) year period preceding this proposal had one or more federal, state or local government transactions terminated for cause or default.

c. Have not entered into a prior understanding, agreement, or connection with any corporation, firm, or person submitting a response for the same materials, supplies, equipment, or services and this proposal is in all respects fair and without collusion or fraud. The above mentioned entities understand and agree that collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards.

Failure to provide this certification may result in the disqualification of the Respondent’s proposal, at the University's discretion.
