

**REQUEST FOR PROPOSALS #2026-112  
UMA Life Safety Services  
RESPONSE ADDENDUM #2  
June 26, 2026**

**CLARIFICATION**

**QUESTIONS**

1. Please provide a detailed list of fire alarm and related devices at each location.
  - For Example: Building 500 – 10 smoke detectors, 5 pull stations, 3 tamper switches, etc.

**ANSWER:**

See Attached List

2. Could you send over the most recent annual fire alarm inspection reports for the Augusta and Bangor buildings? We should be able to get the device counts we need directly from those reports. If those aren't available, please let me know if we can schedule a quick on-site walkthrough early next week to verify the equipment instead?

**ANSWER:**

We do not have the most recent fire alarm inspection report, but we have provided a list of how many devices in each building.
