

**REQUEST FOR PROPOSALS #2026-119**  
**UM Food Innovation Lab**  
**RESPONSE ADDENDUM #1**  
**July 1, 2026**

**CLARIFICATION**

1. Are you adding Steamers, Griddles, Tilt Skillets and or Kettles to the RFP #2026-119 UM Food Innovation Lab Bid?

**ANSWER:**

Please refer to Attachment A-Equipment Cost File and Attachment B-Floor plan for a complete list of equipment to be priced.

2. Will we be responsible for the electrical and plumbing work associated with the equipment installation, or is our responsibility limited to delivering, assembling, and setting the equipment in place (including the walk-in box and other equipment)?

**ANSWER:**

Electrical and plumbing are by others. Vendor/Installer is responsible for delivery, assembly, final connections, and verification of operation of equipment. Walk-in coolers and freezers are by others.
